

2021 ANNUAL TEACHER GRANT APPLICATION

Area IX Division 90
Western San Bernardino Valley
Your Partner in Pension Protection

California Retired Teachers Association (CalRTA), Division 90, is dedicated to the support of teachers in their classroom endeavors. We are very concerned about the students and their educational enrichment. Toward this end, we wish to provide grant money, as a small token of our appreciation, for the good work teachers continue to provide to their students, school, and community.

We are allocating grants of two hundred fifty dollars to full-time **public** school teachers in the Colton, Fontana, and Rialto Unified School Districts. This money is to be used, at the discretion of the recipient, for the educational enrichment of his/her classroom or school.

Our grant committee will select recipients from the applications received in each district. CalRTA will present letters of congratulations to each recipient, his/her principal, and the district superintendent of schools. CalRTA will present checks to each recipient at a school site staff meeting. And, CalRTA would like you, if selected, to attend our June membership meeting and share how you spent your money.

Any teacher wishing to apply for one of these grants should complete the following grant proposal and submit it via electronic mail, or postmarked, by midnight **Sunday, February 28, 2021** to:

John F. Knippel, CalRTA Teacher Grant Committee Chairperson
18121 Rose Avenue, Bloomington, CA, 92316-3028
