

Orlando Tour Stop Friday, April 4th, 2014

The Florida Alliance for Renewable Energy (FARE) welcomes you to be part of the 2014 Florida Renewable Energy Tour. This tour will travel through 7 cities across the state, reaching an audience of over 1000 individuals and businesses. The tour will feature site visits to solar installations as well as discussion of renewable energy legislation to be introduced in the 2014 Legislative Session and ongoing efforts to protect net-metering in Florida. The tour will also feature discussions with industry & policy experts and state & local elected officials.

Event Hosts:
