

Students/Parents: There continue to be a lot of absences and last minute additions to kids schedules. This is the point at which it is getting really real. If someone is absent it affects others on the stage. Please work to ensure that you are at your called rehearsals. We have 30 days until opening and I have not had a rehearsal yet that every participant was present for. Saturday Beth Keys will be here to continue to work on costumes. If you are able to help, please come around 2:00 pm. There will be altering, hemming, etc. Thank you for your continued support!
