

Hello,

Thank you for registering for practice at Bunker Hill.

Although, the state of Utah has loosened some restrictions related to COVID-19, we remain under firm guidelines in order to keep our staff and customers safe and healthy.

According to the Utah Leads Together 2.0 Plan, practice at Bunker Hill is classified in the “Events and Entertainment” category as a sporting event. Therefore, we will be following the operating guidelines listed for this category. One of these guidelines is screening the symptoms of the participants, which means taking the temperature of every rider when they enter the property. This will be done with a touchless infrared thermometer. The [CDC](#) considers a reading of 100.4 degrees Fahrenheit a fever. Anyone with a fever will be denied access to the property. **If you are not comfortable with this screening, please let us know and we will issue a full refund.**

We will also continue to follow strict protocols regarding social distancing as listed below.

Social Distancing:

- Print your own waiver. You can bring the signed waiver to the track or email it to info@rmxseries.com
 - If you are unable to print your own waiver, we will provide one for you. Please bring your own pen.
- Spread out and keep your distance.
 - All rigs must be parked at least 10 ft apart.
 - Maintain a 6ft distance between household groups at all times.
 - Congregating in groups is not allowed.
- Bleachers and other common areas will not be available.
- Avoid shaking hands or coming into close personal contact with others.
- Bring your own hand sanitizers and any other cleaning supplies you see fit for your own protection.
- Do not share safety equipment.
- If you are sick or have been around others that are sick, please stay home.
- If you have a compromised immune system, please stay home.

Thank you again for your continued support and patience during this time

We look forward to seeing you soon. Travel safe.
