

Table 1 : Manifestation - Etiology Pairs

Manifestation	Manifestation Description	Etiology	Etiology description
D77	Other disorders of blood and blood-forming organs in diseases classified elsewhere	A5001	Early congenital syphilitic oculopathy
D77	Other disorders of blood and blood-forming organs in diseases classified elsewhere	A5002	Early congenital syphilitic osteochondropathy
D77	Other disorders of blood and blood-forming organs in diseases classified elsewhere	A5003	Early congenital syphilitic pharyngitis
D77	Other disorders of blood and blood-forming organs in diseases classified elsewhere	A5004	Early congenital syphilitic pneumonia
D77	Other disorders of blood and blood-forming organs in diseases classified elsewhere	A5005	Early congenital syphilitic rhinitis
D77	Other disorders of blood and blood-forming organs in diseases classified elsewhere	A5006	Early cutaneous congenital syphilis
D77	Other disorders of blood and blood-forming organs in diseases classified elsewhere	A5007	Early mucocutaneous congenital syphilis
D77	Other disorders of blood and blood-forming organs in diseases classified elsewhere	A5008	Early visceral congenital syphilis
D77	Other disorders of blood and blood-forming organs in diseases classified elsewhere	A5009	Other early congenital syphilis, symptomatic
D77	Other disorders of blood and blood-forming organs in diseases classified elsewhere	B500	Plasmodium falciparum malaria with cerebral complications
D77	Other disorders of blood and blood-forming organs in diseases classified elsewhere	B508	Other severe and complicated Plasmodium falciparum malaria
D77	Other disorders of blood and blood-forming organs in diseases classified elsewhere	B509	Plasmodium falciparum malaria, unspecified
D77	Other disorders of blood and blood-forming organs in diseases classified elsewhere	B510	Plasmodium vivax malaria with rupture of spleen
D77	Other disorders of blood and blood-forming organs in diseases classified elsewhere	B518	Plasmodium vivax malaria with other complications
D77	Other disorders of blood and blood-forming organs in diseases classified elsewhere	B519	Plasmodium vivax malaria without complication
D77	Other disorders of blood and blood-forming organs in diseases classified elsewhere	B520	Plasmodium malariae malaria with nephropathy
D77	Other disorders of blood and blood-forming organs in diseases classified elsewhere	B528	Plasmodium malariae malaria with other complications
D77	Other disorders of blood and blood-forming organs in diseases classified elsewhere	B529	Plasmodium malariae malaria without complication
D77	Other disorders of blood and blood-forming organs in diseases classified elsewhere	B530	Plasmodium ovale malaria
D77	Other disorders of blood and blood-forming organs in diseases classified elsewhere	B531	Malaria due to simian plasmodia
D77	Other disorders of blood and blood-forming organs in diseases classified elsewhere	B538	Other malaria, not elsewhere classified
D77	Other disorders of blood and blood-forming organs in diseases classified elsewhere	B54	Unspecified malaria
D77	Other disorders of blood and blood-forming organs in diseases classified elsewhere	B650	Schistosomiasis due to Schistosoma haematobium [urinary schistosomiasis]
D77	Other disorders of blood and blood-forming organs in diseases classified elsewhere	B651	Schistosomiasis due to Schistosoma mansoni [intestinal schistosomiasis]
D77	Other disorders of blood and blood-forming organs in diseases classified elsewhere	B652	Schistosomiasis due to Schistosoma japonicum
D77	Other disorders of blood and blood-forming organs in diseases classified elsewhere	B653	Cercarial dermatitis
D77	Other disorders of blood and blood-forming organs in diseases classified elsewhere	B658	Other schistosomiasis
D77	Other disorders of blood and blood-forming organs in diseases classified elsewhere	B659	Schistosomiasis, unspecified
D77	Other disorders of blood and blood-forming organs in diseases classified elsewhere	B670	Echinococcus granulosus infection of liver
D77	Other disorders of blood and blood-forming organs in diseases classified elsewhere	B671	Echinococcus granulosus infection of lung
D77	Other disorders of blood and blood-forming organs in diseases classified elsewhere	B672	Echinococcus granulosus infection of bone
D77	Other disorders of blood and blood-forming organs in diseases classified elsewhere	B6731	Echinococcus granulosus infection, thyroid gland
D77	Other disorders of blood and blood-forming organs in diseases classified elsewhere	B6732	Echinococcus granulosus infection, multiple sites
D77	Other disorders of blood and blood-forming organs in diseases classified elsewhere	B6739	Echinococcus granulosus infection, other sites
D77	Other disorders of blood and blood-forming organs in diseases classified elsewhere	B674	Echinococcus granulosus infection, unspecified
D77	Other disorders of blood and blood-forming organs in diseases classified elsewhere	B675	Echinococcus multilocularis infection of liver
D77	Other disorders of blood and blood-forming organs in diseases classified elsewhere	B6761	Echinococcus multilocularis infection, multiple sites
D77	Other disorders of blood and blood-forming organs in diseases classified elsewhere	B6769	Echinococcus multilocularis infection, other sites
D77	Other disorders of blood and blood-forming organs in diseases classified elsewhere	B677	Echinococcus multilocularis infection, unspecified
D77	Other disorders of blood and blood-forming organs in diseases classified elsewhere	B678	Echinococcosis, unspecified, of liver
D77	Other disorders of blood and blood-forming organs in diseases classified elsewhere	B6790	Echinococcosis, unspecified
D77	Other disorders of blood and blood-forming organs in diseases classified elsewhere	B6799	Other echinococcosis
D77	Other disorders of blood and blood-forming organs in diseases classified elsewhere	E54	Ascorbic acid deficiency
D77	Other disorders of blood and blood-forming organs in diseases classified elsewhere	E850	Non-neuropathic hereditary familial amyloidosis
D77	Other disorders of blood and blood-forming organs in diseases classified elsewhere	E851	Neuropathic hereditary familial amyloidosis
D77	Other disorders of blood and blood-forming organs in diseases classified elsewhere	E852	Hereditary familial amyloidosis, unspecified
D77	Other disorders of blood and blood-forming organs in diseases classified elsewhere	E853	Secondary systemic amyloidosis
D77	Other disorders of blood and blood-forming organs in diseases classified elsewhere	E854	Organ-limited amyloidosis
D77	Other disorders of blood and blood-forming organs in diseases classified elsewhere	E858	Other amyloidosis
D77	Other disorders of blood and blood-forming organs in diseases classified elsewhere	E859	Amyloidosis, unspecified
F0280	Dementia in other diseases classified elsewhere, without behavioral disturbance	A5217	General paresis
F0280	Dementia in other diseases classified elsewhere, without behavioral disturbance	A8100	Creutzfeldt-Jakob disease, unspecified
F0280	Dementia in other diseases classified elsewhere, without behavioral disturbance	A8101	Variant Creutzfeldt-Jakob disease
F0280	Dementia in other diseases classified elsewhere, without behavioral disturbance	A8109	Other Creutzfeldt-Jakob disease
F0280	Dementia in other diseases classified elsewhere, without behavioral disturbance	B20	Human immunodeficiency virus [HIV] disease
F0280	Dementia in other diseases classified elsewhere, without behavioral disturbance	B560	Gambiense trypanosomiasis
F0280	Dementia in other diseases classified elsewhere, without behavioral disturbance	B561	Rhodesiense trypanosomiasis
F0280	Dementia in other diseases classified elsewhere, without behavioral disturbance	B569	African trypanosomiasis, unspecified
F0280	Dementia in other diseases classified elsewhere, without behavioral disturbance	B570	Acute Chagas' disease with heart involvement
F0280	Dementia in other diseases classified elsewhere, without behavioral disturbance	B571	Acute Chagas' disease without heart involvement
F0280	Dementia in other diseases classified elsewhere, without behavioral disturbance	B572	Chagas' disease (chronic) with heart involvement
F0280	Dementia in other diseases classified elsewhere, without behavioral disturbance	B5730	Chagas' disease with digestive system involvement, unspecified
F0280	Dementia in other diseases classified elsewhere, without behavioral disturbance	B5731	Megaesophagus in Chagas' disease
F0280	Dementia in other diseases classified elsewhere, without behavioral disturbance	B5732	Megacolon in Chagas' disease
F0280	Dementia in other diseases classified elsewhere, without behavioral disturbance	B5739	Other digestive system involvement in Chagas' disease
F0280	Dementia in other diseases classified elsewhere, without behavioral disturbance	B5740	Chagas' disease with nervous system involvement, unspecified
F0280	Dementia in other diseases classified elsewhere, without behavioral disturbance	B5741	Meningitis in Chagas' disease
F0280	Dementia in other diseases classified elsewhere, without behavioral disturbance	B5742	Meningoencephalitis in Chagas' disease
F0280	Dementia in other diseases classified elsewhere, without behavioral disturbance	B5749	Other nervous system involvement in Chagas' disease
F0280	Dementia in other diseases classified elsewhere, without behavioral disturbance	B575	Chagas' disease (chronic) with other organ involvement
F0280	Dementia in other diseases classified elsewhere, without behavioral disturbance	E000	Congenital iodine-deficiency syndrome, neurological type
F0280	Dementia in other diseases classified elsewhere, without behavioral disturbance	E001	Congenital iodine-deficiency syndrome, myxedematous type
F0280	Dementia in other diseases classified elsewhere, without behavioral disturbance	E002	Congenital iodine-deficiency syndrome, mixed type
F0280	Dementia in other diseases classified elsewhere, without behavioral disturbance	E009	Congenital iodine-deficiency syndrome, unspecified
F0280	Dementia in other diseases classified elsewhere, without behavioral disturbance	E010	Iodine-deficiency related diffuse (endemic) goiter
F0280	Dementia in other diseases classified elsewhere, without behavioral disturbance	E011	Iodine-deficiency related multinodular (endemic) goiter
F0280	Dementia in other diseases classified elsewhere, without behavioral disturbance	E012	Iodine-deficiency related (endemic) goiter, unspecified
F0280	Dementia in other diseases classified elsewhere, without behavioral disturbance	E018	Other iodine-deficiency related thyroid disorders and allied conditions
F0280	Dementia in other diseases classified elsewhere, without behavioral disturbance	E02	Subclinical iodine-deficiency hypothyroidism
F0280	Dementia in other diseases classified elsewhere, without behavioral disturbance	E030	Congenital hypothyroidism with diffuse goiter
F0280	Dementia in other diseases classified elsewhere, without behavioral disturbance	E031	Congenital hypothyroidism without goiter
F0280	Dementia in other diseases classified elsewhere, without behavioral disturbance	E032	Hypothyroidism due to medications and other exogenous substances
F0280	Dementia in other diseases classified elsewhere, without behavioral disturbance	E033	Postinfectious hypothyroidism
F0280	Dementia in other diseases classified elsewhere, without behavioral disturbance	E034	Atrophy of thyroid (acquired)
F0280	Dementia in other diseases classified elsewhere, without behavioral disturbance	E035	Myxedema coma
F0280	Dementia in other diseases classified elsewhere, without behavioral disturbance	E038	Other specified hypothyroidism
F0280	Dementia in other diseases classified elsewhere, without behavioral disturbance	E039	Hypothyroidism, unspecified
F0280	Dementia in other diseases classified elsewhere, without behavioral disturbance	E52	Niacin deficiency [pellagra]
F0280	Dementia in other diseases classified elsewhere, without behavioral disturbance	E538	Deficiency of other specified B group vitamins
F0280	Dementia in other diseases classified elsewhere, without behavioral disturbance	E754	Neuronal ceroid lipofuscinosis
F0280	Dementia in other diseases classified elsewhere, without behavioral disturbance	E8300	Disorder of copper metabolism, unspecified
F0280	Dementia in other diseases classified elsewhere, without behavioral disturbance	E8301	Wilson's disease
F0280	Dementia in other diseases classified elsewhere, without behavioral disturbance	E8309	Other disorders of copper metabolism
F0280	Dementia in other diseases classified elsewhere, without behavioral disturbance	E8352	Hypercalcemia
F0280	Dementia in other diseases classified elsewhere, without behavioral disturbance	G20	Parkinson's disease
F0280	Dementia in other diseases classified elsewhere, without behavioral disturbance	G300	Alzheimer's disease with early onset
F0280	Dementia in other diseases classified elsewhere, without behavioral disturbance	G301	Alzheimer's disease with late onset
F0280	Dementia in other diseases classified elsewhere, without behavioral disturbance	G308	Other Alzheimer's disease
F0280	Dementia in other diseases classified elsewhere, without behavioral disturbance	G309	Alzheimer's disease, unspecified
F0280	Dementia in other diseases classified elsewhere, without behavioral disturbance	G3101	Pick's disease
