### OUR MISSION

Our mission is to provide creative and healing activities in a safe and supportive environment that directly supports the grief journey.

Creative activities for grieving **families** are designed to unite family members and blend individual grief journeys to ignite companionship.

Creative activities for grieving **adults** are designed to encourage the expression of emotion and the healing depths of art.

Through fellowship, conversation, and art, we encourage the expression of emotions. We provide a relaxed faith-based environment to learn from each other and build life-long bonds.
