

Drapery Hardware

Select Wood Drapery Hardware

Select Drapery Hardware includes two separate collections of wood poles and accessories: The Select and Rustic Elegance Collections each offer a unique selection of finishes and products.

Select Wood Collection Offers a choice of thirteen stunning finishes for poles, traverse rods, brackets, finials and rings. This collection provides a variety of beautiful drapery hardware and accessories of superior quality with the lustrous finishes and amazing detail at prices that cannot compare.

Select Rustic Elegance Collection

Features 1 3/8" and 2 1/4" poles and accessories in five finishes that showcase the beauty of the wood grain and textures characteristic to Ash wood. Iron Image, a specialty line included in Rustic Elegance, offers the look of traditional

wrought iron in 1 3/8" diameter wood poles and finials.

Select Custom Traverse Rods feature heavy duty tracks that are constructed with wheeled carriers and metal masters with the capacity to handle today's drapery treatments made with blackout linings and interlinings.
