

Incident Management

300.1 PURPOSE AND SCOPE

The purpose of this policy is to establish operational guidelines for members of the District to use in the management and mitigation of all-hazards emergency incidents.

300.1.1 DEFINITIONS

Definitions related to this policy include:

All-hazards - An incident, natural or manmade, that warrants action to protect life, property, the environment, and public health or safety, and to minimize disruptions of government, social or economic activities.

300.2 POLICY

It is the policy of the Blue Ridge Fire District to utilize the Incident Command System (ICS) or other National Incident Management System (NIMS)-compliant incident management system for managing all emergency incidents. All incident-related activities should be managed in accordance with established ICS/NIMS methods and procedures.

300.3 INCIDENT MANAGEMENT

The Fire Chief should ensure the District adopts written ICS/NIMS procedures that are compatible with neighboring jurisdictions. These procedures should be available to members.

Emergency incidents shall be managed utilizing trained and qualified personnel for the specific tactical, supervisory or command level assignments.
