1GOD's latest message the Law-Giver Manifest

1GOD 1FAITH 1Church Universe Custodian Guardians

HARMONIZE with your surroundings.

To harmonize with I, a person's aspirations & goals need to be in accord, agreement with one's abilities (*not dreams*) & available options (*not hypothetical's*) To harmonize with people you want to or actually belong to, a person's behavior & thinking needs to become compatible (*not sub-servant*), be in accord, in unison with that of these targeted people. *Above also applies to harmonizing with 1GOD !*

To harmonize with the surrounding habitat, it needs to be understood, cherished & one's role in it established (*be its custodian-guardian*). To harmonize with the local community. A person has to become socially acceptable, fit in, support the aspirations & ideals of the community.

The greater your desire to harmonize is the greater the rewards: Contentment, feeling of belonging, being part of something bigger, pleasing 1GOD, being a Custodian Guardian. **Harmonize!**

To harmonize well, compromise, understanding & reconciliation are needed

The Universe Custodian Guardians harmonize the spiritual 1FAITH through 'Conversion' with real-life Social-Justice. 'Random acts of Kindness' part of a Daily-Routine, harmonize a good deed with a need. **Harmonizing part of Social-Justice Etiquette!**

Knowledge should be harmonized. (*1st*) 'Learn' & (*then*) 'Teach' eventual (*pass on*) 'Knowledge-Continuity'. **Harmonizing knowledge a human success, on Judgment-Day, '1GOD' questions everyone on this.**

Harmonize as conflict resolution. Understand the Conflict! Use fairness to achieve a compromise. **Reconcile for lasting benefit.**

Praying is harmonizing with 1GOD! To Harmonize with family, community, habitat, environment & 1GOD means being a 'Custodian-Guardian' (*a good person*). **BE GOOD !!!**

1GOD is waiting to here from YOU !
