

PROJECT HOPE CAREER CLOTHING EVENT

April 26, 2018

Our goal is to have a complete outfit for every client who needs one, in keeping with our purpose: "We exist to provide food and clothing to those in need."

Now Collecting Clothing Donations

During your spring closet clean-out, please consider donating gently-used career clothing (interview-appropriate) for this event! If you cannot bring it to Project Hope, we can pick it up. We are looking for:

- career pieces or suits for women (skirts, pants, jackets, blouses) in all sizes
- suits for men
- shirts and ties for men
- interview-appropriate shoes in all sizes for men and women
- unopened hose for women
- new black socks for men

The items will not be sold; they will go directly to those in need. The clothing items will be mended and steamed; shoes will be cleaned. With assistance from event volunteers, clients will be able to try on outfits for best fit, and receive one interview outfit. Any items that are not distributed at the Career Clothing Event will be available to Project Hope clients during regular distribution hours.

For more information, or to donate or volunteer for this event, please contact us at

PHCareerClothingEvent@gmail.com.
