

The reason I know God loves me unconditionally is that He loved me when I was a godless rebel. "God shows His love for us in that while we were yet sinners Christ died for us" (Rom. 5:8). Paul prayed that the Ephesian believers might "know the love of Christ which surpasses knowledge" (Eph. 3:19). John wrote: "We know and believe the love God has for us" (1 John 4:16); and "We love because He first loved us" (John 4:19). It's one thing to believe that He loves us, but even greater to **feel** that we're loved. To **believe and feel** in every cell of our body that God loves us is the greatest imaginable reason for joy, motivation, and even health. We believe He loves us. Let us pray daily that we will receive His love in the depths of our souls and **feel** His love all the time.

All for Jesus, Richard
