

Have you served in the Armed Forces?

Are you dealing with
stress, anxiety, or insomnia
due to a traumatic event
while serving?

If you've lived through a traumatic event while serving your country, and are now experiencing stress, anxiety, or trouble sleeping – you may have post-traumatic stress disorder (PTSD), and you're not alone.

Right now, doctors at (Site Name) are accepting new participants for the **HONOR Clinical Study**. The study is for an investigational new drug that may help improve trauma-related symptoms, including sleep disturbances.

No cost to participate • Compensation for time & travel
