

# **Family Campout 2021 Weekend** **July 21st—25th**

We have decided to shorten camp and change the format to focus on families to come together in small groups and participate in small unplanned camp activities. It will be from **Wednesday, July 21st to Sunday, July 25th.**

Due to Family Camp not happening, we are offering a camping weekend for individual rentals of sites and cabins during the time we had slotted for Family Camp. Contact Kathy Hughes with the information below and you will receive further instructions from her.

**To get registered, please contact Kathy Hughes at (509) 476-2827 or (509) 429-6200. Or by e-mail at [hughesk@ncidata.com](mailto:hughesk@ncidata.com).**
