115 Tabor Road
Morris Plains, NJ 07950

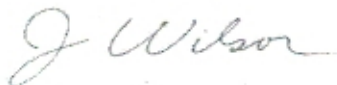

October 13, 2016

To All Genetron[®] 134a Stationary Aftermarket Customers,

Due to market conditions, and as contracts allow, Honeywell is increasing its price for packaged and bulk 134a products by \$1.00 effective immediately. There will be no pre-buy period allowed.

For additional details please contact your Honeywell Refrigerants sales representative and thank you for your business.

Sincerely,

James Wilson
Sales Leader
North American Stationary Refrigerants
Honeywell Fluorine Products
