

Wisconsin Workforce Board Services

Wisconsin Workforce Boards help employers of all sizes recruit, hire, and train employees as your talent placement consultant.

- Need an in house H/R specialist to help locate your future workforce?
- Need access to underemployed or unemployed labor pool?
- Need help with the administration of programs to access training resources?

We do that! The 11 Workforce Boards help employers leverage the many services and financial programs that the workforce system can implement to support your business needs.

Our services include:

Hiring and Recruitment

Low and no-cost Talent Development solutions help you find qualified employees through services including:

- Online job posting
- Talent placement
- Onsite recruitment coordination
- Application collection and access to screening
- Access to pre-employment assessment tools

Training

Take advantage of custom and specialized training solutions, on-the-job training programs, Wisconsin Apprenticeship, and Wisconsin Fast Forward to ensure employee skills meet your business demands. Grants and reimbursements may be available.

Access to Dislocated Workers

When mass layoff occurs in your regions, the workforce boards can help you access the dislocated talent pool. These workers will have access to training resources necessary for reemployment at their new employer.

Data

Labor Market Economists are ready to deliver and help you use the most current local and regional labor market and economic data. Learn about:

- Local labor force data and analysis
- Wage comparisons
- Employment projections
- County profiles

Incentives

Qualify for hiring incentives and tax credits that can reimburse your organization for training costs or creating access to employment for specific groups.
