## **Gone But Not Forgotten.....**

### **Ch. Colors Many Happy Returns "Poet"**

May 28 1999 - Jan 07, 2014.

Poet was his call name, I got him on my Dad's Birthday, so hence the name.

Poet came to me after my Frenchie Coco Chanel, passed away at six years of age. I was suffering great pain from a car accident and had gotten fibromyalgia. So it was not easy to train a young std. poodle puppy. I call him my healer, because he got me up moving. Poet got his Championship in three shows, was trained in field work, tracking, tricks, frisbee and obedience. Because of my injuries and fibromyalgia, I wasn't able to show him. But he led the Bowmanville Santa Claus Parade for very many years.

He was so good with the little dogs I had for in home boarding, so sweet to them.

Angell is my 13 yr. old Blind Brussels Griffon, and Poet was her eyes..

Both Winnie and Angell slept on Poet, he was their rock. Poor Winnie suffered greatly.

The night Poet passed, lights were out, dogs were in bed. I heard this long, soft, mournful howl. Winnie has never howled before or since. He misses his Uncle Poet.

Loved & missed by Ruth Ann Miller

## Changes in the 2014 executive positions and other positions in the Club

Bev Wiggans has retired from the Treasurer's position after 17 years and Dorothy Phillips has offered to take on the position and responsibility. Marie-P Babin is also a signing officer.

Susan Skolnick is stepping down from the Webmaster position and Connie Gavin has offered to take on the position. Susan has offered to help if needed.

Marie-P Babin has also stepped down from the Awards position after moving to Woodville and Eileen Fisher will take on the position.

There is one more position that needs to be filled. It's not a CCTC position but Zone 5 which is Eastern Ontario needs a CKC Tracking Rep. I was the rep. for zone 5 for the past 6 years and now since I've just moved into zone 4, I've had to give up the position.

Zone 5 starts in Pickering and goes to Peterborough, Ottawa and continues to the Quebec border. If you'd like to take on this position, email me and I'll suggest your name to the CKC rep.

Thank you for all the years of work for the Club and Welcome to the three new Club members taking on the positions.

As Club members there are other ways to help out with the Club. We have a great group of tracklayers that come out at every test. This is a great way to help out and take part in our great Dog Sport. If you haven't done it yet, give it a try. It's a lot of fun.

## Organic recipes for the Pooches

### **TUNA BROWNIES**

2 cans of tuna, packed in water (6 oz.), drained (I don't drain them)...

2 eggs

1 tsp garlic powder

1-1/2 cups of flour (preferably unbleached, extra points for organic) more if needed to make a stiff dough

add a cup of shredded cheese for extra flavor

Mix together well. Press or roll on a cookie sheet to about 1/4" thick.

Bake at 250 degrees for 30 minutes. Cut into 1/4" cubes and refrigerate or freeze.

~~~~~

LIVER & CHEDDAR SQUARES

1 cup oat flour

1 1/2 cup brown rice flour

1/2 lbs raw chicken liver or beef liver

1 cup low fat cheddar cheese

1 egg

Preheat oven at 350* Puree the liver

Combine all ingredients and mix thoroughly till a dough forms.

Roll the dough out on a lightly floured surface to 1/4" thickness. Use a cookie cutter or a pizza cutter to make squares..

Place on an un-greased cookie sheet or use parchment paper. They can be close together as they don't spread much.

Bake for 20-25 minutes or until golden brown. Let it cool on a rack. Store in an air tight container in the fridge.
