

Colorado Department of Corrections - Faith and Citizen Programs
Volunteer Training Schedule

Becoming A CDOC Volunteer inside the Facilities

- **Initial steps:** Program approval, volunteer application, background clearance, basic volunteer training (BVT), facility specific orientation
- **Update steps:** Update application (every 12 months), update volunteer training (UVT—every 12 months)

The Office of Faith and Citizen Programs (FCP) will send you (the active volunteer) a reminder notice one month in advance of your update application due date. You are responsible to submit your completed application, register for training upon approval of your application, and attend a UVT every 12 months in order to remain an “active” CDOC volunteer.

Pre-Register for ALL Training

Your application must be **approved** before you can enroll in training. FCP will notify you in writing when your application is approved. The complete application process and pre-registration is required in order to attend any training. **Please call Danyel Fox at 719-583-5975 to register.** Training is available at various locations throughout the state each month (**see schedule on back**). To ensure space availability, please register for training as soon as you are notified that your application is approved. Training is rarely canceled or rescheduled, but may be necessary due to unforeseen circumstances. You will be notified by phone and email of any schedule changes as soon as practicable. Additional training may be scheduled for specific large groups (25+) **only** when scheduled classes are not available or suitable.

Basic volunteer training (up to 8 hours) is required for all newly approved CDOC volunteers. This training prepares you to work in a correctional environment, with sessions on: CDOC Facilities, Professionalism, Supervision, Offender Behavior, Specific Offender Groups, Communication, Prison Safety, and Hostage Survival.

Update volunteer training (up to 4 hours) is required every 12 months in order to remain an “active” CDOC volunteer. This training is a refresher on safety and security matters and recent CDOC policy changes, and includes time for you to share and learn from one another.

Facility specific orientation (up to 2 hours) is required for each CDOC facility at which you intend to volunteer. This walking tour allows you to meet specific staff and learn details about the facility. Within 90 days of successful completion of BVT, you must complete a facility specific orientation. Schedule your orientation with the facility volunteer coordinator. You will only be “active” and able to provide service after the entire orientation process is complete (including warden’s signature and FCP data entry).

CDOC and PRIVATE FACILITIES

** Training locations listed in **bold**.

CDOC Headquarters (HQ) 1250 Academy Park Loop, Colo Springs	719-583-5975	Arkansas Valley Corr. Facility (AVCF) 12750 Hwy 96, Crowley	719-267-3520
