Mr. Jeffrey L. Cowsert

Dear Mr. Cowsert:

Thank you for your letter and for sharing your thoughts with the Governor. He appreciates the time you took to share your views on this subject.

In order to change the laws governing circumcision, new legislation would be required. Members of the Indiana General Assembly would need to provide backing and sponsorship of the legislation. Given your statement of support, I encourage you to also contact your local legislators to express your desire for legislation to be introduced in the General Assembly. Contact information for the Indiana House and Senate is included below.

Thank you for your citizenship.

Sincerely,

Kristen Kane
