No high school students, regardless of their age, and no out-of-state residents, even if they are members of a MISSOURI USA WRESTLING chartered club. 15 year olds may participate only if they have not reached 15 before January 1st, 2020 and are not in high school.

Scratch Weight. All Wrestlers must make Scratch Weight

Wrestlers will be allowed to weigh-in one time only on Friday night. If a wrestler is over-weight on Friday, they will be allowed to weigh-in one time only on Saturday afternoon. Wrestlers must be allowed to use any of the certified scales being used for the competition weigh-ins. Only tournament personal will be allowed in the weigh in area, once weigh-ins begin. ***There will be no running, or other weight loss measures, allowed inside the wrestling facility.***

All wrestlers will be required to weigh-in wearing only a singlet with the straps pulled down; females will be required to wear their singlet with a sports bra, or other suitable undergarment. Each wrestler will be visually checked and if a participant is suspected of having a communicable skin disease, or any other condition that may make participation inadvisable, the wrestler must provide written documentation (which must be on the form supplied by MISSOURI USA WRESTLING and obtained by the participants club), dated and signed by a physician, within 14 days of the tournament, stating that the suspected disease or condition is not communicable and that the athlete's participation would not be harmful to their opponent. ***They must also have attached a doctor's letterhead or a sheet from the doctor's prescription pad to the skin form.*** This document must be furnished at weigh-ins. Covering a communicable condition shall not be considered acceptable and does not make the wrestler eligible to participate.

All suspected skin conditions must be covered at all times while the competitor is on the mat. Further, that in the event said skin condition is not covered, becomes uncovered or is not coverable, then the competitor may be required to forfeit, at the discretion of the tournament director or host official. If a wrestler shows up to wrestle without the condition covered, the wrestler will be put on one of their injury time-outs to correct the situation.

BRACKETING – General

2. All brackets are double elimination, with the exception of brackets of five or less, where each entrant wrestles the other wrestlers in the bracket (round-robin).

SEEDING – There will be no seeding. If two wrestlers from the same club appear at the same weight, each wrestler shall be drawn into the bracket; however, they must be in opposite halves of the bracket. If three or more wrestlers from the same club appear at the same weight, each wrestler shall be drawn into the bracket, however that they must be in different quarters of the bracket, as long as this is possible. Byes shall be drawn into the bracket before. When two or more byes occur in a bracket, an equal number of byes shall be drawn into each half of the bracket.

The tournament will be governed by the Missouri USA Wrestling tournament committee and the tournament guidebook.
