MEMBER/SKATER CODE OF CONDUCT including ICE ETIQUETTE GUIDELINES

The primary goal of the Thomas Creek Figure Skating Club and the Mirror Images Synchronized Skating Teams (TCFSC/MI) is to encourage the instruction, practice and advancement of our members and guests in any or all of the disciplines of figure skating; to encourage and cultivate a spirit of fraternal feeling among ice skaters; and to carry out the general policies and objectives of USFSA. As a member of TCFSC/MI (whether First Family, associate, collegiate or introductory, etc) or as a non member guest using TCFSC ice, every skater is expected to adhere to the following Member/Skater Code of Conduct and Ice Etiquette Guideline:

General Guidelines

This Member/Skater Code of Conduct has been established to ensure the safety of all members as well as non member guests using our Club ice, to ensure quality practice time for all who participate in TCFSC/MI sanctioned Club ice or activities.

All skaters must follow and uphold the tenets in this Member/Skater Code of Conduct and Ice Etiquette Guideline regarding behavior on and off the ice. The goal of TCFSC/MI is to constantly promote a positive and friendly environment for all skaters. We encourage all who participate in TCFSC/MI Club ice and activities to remember to treat others as you would like to be treated.

Member/Skater Responsibilities

Every skater shall exhibit good sportsmanship both verbally and physically, towards fellow members, other USFS members, USFS officials, Club Board members, members' parents, volunteers or coaches.

Skaters will respect the authority and decisions of coaches, officials, Club Board members and volunteers.

Skaters will display appropriate conduct on and off the ice.

Skaters understand that the use and/or possession of tobacco, alcohol, and illegal drugs, including performance-enhancing products, or being under the influence of any such substances during any Club activities or events is prohibited. Skaters may be prohibited from skating if they are suspected to be under the influence of any substance, including prescription drugs, as it may impair their ability to skate, and endanger the safety of others on the ice.

ICE ETIQUETTE AND SAFETY GUIDELINES

Thomas Creek FSC/MI teams is committed to creating a safe and positive environment for members' physical, emotional and social development and ensuring that it promotes an environment free of misconduct. All skaters, regardless of whether they First Family, associate, non-member or guest status must follow and uphold the tenets in the Member Code of Conduct regarding behavior on and off the ice. All club members are expected to exhibit good sportsmanship and be courteous toward their fellow skaters, coaches, parents of skaters, U.S. Figure Skating officials and guests.

ICE ETIQUETTE AND SAFETY

1. While in a lesson or practice, it is the skater's responsibility to always be conscientious and aware of other skaters around them.
2. Skaters must skate with the flow of other skaters and familiarize themselves with the most commonly used areas for jumps and spins.
3. The only time a skater has the SOLE right of way is when they are skating their program to music. The skater must wear the bright colored safety harness when their music is playing. **When you hear another member's music, or see the skater in the bright safety harness, please extend that person the courtesy and move out of their path momentarily.** This only takes a moment and you will enjoy the same courtesy while you are performing your program.
4. Skaters taking a lesson from a Club Coach or other USFS coach/professional have the right of way over other general skaters on the ice (i.e., those not in a lesson), second only to skaters who may be skating their program to music.

5. Skaters taking a harness lesson from a coach also have the right of way over other general skaters on the ice with the exception of skaters skating their program to music. Please use extra caution near the harness.
6. Beginner/less experienced skaters are asked to please be VERY aware of other skaters on the ice. It is imperative that each skater look ahead toward the direction in which he/she is skating in order to see what other skaters are doing or are about to do.
7. Advanced skaters are expected to exhibit patience toward beginner members of the club. It is vital that all skaters remember that it takes time for our future generation of skaters to advance to the point where they are completely comfortable skating with all levels of skaters.
8. Skaters must look both ways before leaving the railing or skating across the ice.
9. Skaters must keep moving while on the ice as it is dangerous for both everyone when a skater or group of skaters stand still during a session. It is especially important not to stop in the middle of the ice or any of the jumping corners. Skaters who are standing idle or chatting with others on the ice will be asked to leave the ice until they are ready to skate.
10. Coaches/ice monitors will put the music of skaters engaged in a lesson ahead of other skaters not in a lesson.

UNSAFE OR DISCOURTEOUS BEHAVIOR

1. Unsafe or discourteous behavior of any kind will not be tolerated

PROHIBITED BEHAVIOR

1. Kicking, digging holes, scraping or stomping the ice with your blades and kicking the railings are prohibited.
2. Being verbally abusive to other skaters or coaches is prohibited.
3. Deliberately challenging, scaring or intentionally blocking another skater is prohibited.
4. Videotaping anyone other than your own skater is strictly prohibited.
5. Violation of any other policy set forth by TCFSC is prohibited.

The TCFSC Board of Directors shall hold accountable any member and member's parents determined to be in violation of these responsibilities. The Board shall determine the necessary and appropriate action for any such violation, including, but not limited to, at a minimum a verbal warning and, at a maximum suspension or termination of TCFSC/MI membership, without release of financial obligations.

**THOMAS CREEK FIGURE SKATING CLUB
PARENT CODE OF CONDUCT**

The purposes of the Club are to encourage the instruction, practice and advancement of the members in any or all of the disciplines of figure skating; to encourage and cultivate a spirit of fraternal feeling among ice skaters; and to carry out the general policies and objectives of USFSA.

The essential elements of character-building and ethics in sports are embodied in the concept of sportsmanship and the following core principles: respect, responsibility, fairness, caring, trustworthiness and good citizenship. The highest potential of sports is achieved when competition reflects these pillars of character.

By signing below I hereby agree that:

- I will encourage good sportsmanship by demonstrating positive support for all skaters, coaches, and officials at every practice session, competition and test session.
- I will place the emotional and physical well-being of my child ahead of my personal desire to win.
- I will encourage my child to skate in a safe and healthy environment.
- I will inform my child's coach of any physical disability or ailment that may affect the safety of my child or the safety of others.
- I will teach my child that doing one's best is more important than winning so that my child will never feel defeated by the results of a competitive event.
- I will never ridicule or yell at my child or other participant for making a mistake or blame my child's teammates for placement in a competition.
- I will do my best to make skating fun and will remember that my child participates in sports for his/her own enjoyment and satisfaction, not mine.
- I will ask my child to treat other skaters, coaches, fans, and officials with respect regardless of race, creed, color, sexual orientation or ability.
- I will applaud a good effort in both victory and defeat, emphasizing the positive accomplishments and learning from the mistakes.
- I will teach my child to resolve conflicts without resorting to hostility or violence.
- I will be a positive role model for my child and other skaters.
- I will demand a figure skating environment for my child that is free of drug or alcohol abuse and agree that I will not use or provide to a third party any drug prescribed by applicable federal, state, or municipal law.
- I will not assist or condone any competing athlete's use of a drug banned by the International Olympic Committee, International Skating Union, United States Olympic Committee, or U.S. Figure Skating, or, in case of athletes, to use such drugs or refuse to submit to properly conducted drug tests administered by one of these organizations.
- I will not provide alcohol to, nor condone the use of alcohol by minors, abuse alcohol in the presence of athlete members, or at U.S. Figure Skating activities or, in the case of athletes, consume alcoholic beverages while a minor.
- I will encourage my child's coach to continue their education and training through programs offered by U.S. Figure skating, the Professional Skaters Association and other accredited organizations.
- I will respect my child's coach and refrain from coaching my child or other skaters during competitions and practices because it may conflict with the coach's plan or strategies.

- I will respect the decisions of officials and their authority during the competitions and test sessions and teach my child to do likewise.
- I will show appreciation and recognize the importance of volunteers and club officials.
- I will study the rules of the U.S. Figure Skating and teach my child accordingly so that we have an understanding and appreciation of the rules of competitions and membership.
- I will respect the opponents in my child's competition and respect the rights of all skaters to participate.

Additionally, with respect to the Thomas Creek Figure Skating Club, I agree to the following:

- I will enforce the TCFSC Member Code of Conduct with my skater/child.
- I will be familiar with and enforce the TCFSC ice etiquette rules with my skater.
- I agree to support the Club's requirements for volunteerism and fund-raising (see ice registration documents that are distributed in August).
- I will encourage my skater to set goals in conjunction with his/her coach.
- I will arrange to have my skater at the rink on time and prepared for lessons and practices. I will respect the time and schedule of coaches and other skaters (including lesson times and cancellations).
- I will talk to my skater's coach prior to making a change to coaching arrangements.
- I will meet financial obligations in a timely manner. I understand that if I do not make timely payments, my skater will not be in good financial standing. A skater deemed not to be in good financial standing may be kept off club ice sessions and may not have competition or test papers certified by an officer of the club.
- I understand that purchased ice, purchased passes of any kind are non-transferrable.

I have read and understand the Parent Code of Conduct of the Thomas Creek Figure Skating Club. I agree to the above requirements.

THOMAS CREEK FSC/MIRROR IMAGES CHANGING ROOM POLICY in compliance with USFS SAFESPORT POLICY

In addition to the development of our skaters and the enjoyment of the sport of figure skating, the safety and protection of our participants is central to the goals of Thomas Creek Figure Skating Club and the Mirror Images Synchronized Skating Teams (hereafter collectively referred to as "TCFSC/MI"). TCFSC/MI adheres to U.S. Figure Skating's SafeSport Program as a means to help protect its participants from physical abuse, sexual abuse and other types of misconduct, including emotional abuse, bullying, threats, harassment and hazing. To ensure that steps are being taken to provide a safe environment for all skaters, TCFSC/MI has adopted the following changing room policy. This policy is designed to maintain personal privacy and to provide a safe environment in the changing rooms and restrooms at all venues in which members of TCFSC/MI skate, compete, test, or participate in off-ice, team building or any other club or team-sponsored activity.

At all TCFSC/MI events, including, but not limited to, club ice, test sessions, practices, off ice training, team building activities, ice shows and competitions, there will be changing rooms available for the skaters' use. These changing rooms will be gender specific. Because TCFSC/MI may at times have many skaters with limited changing room space, we encourage competitors to use the changing rooms for changing only, and to utilize other public spaces for any purpose other than changing clothes.

Changing Room Monitoring

TCFSC/MI officials and/or representatives will monitor the changing room areas periodically throughout all TCFSC/MI events to ensure that competitors are abiding by this Changing Room Policy. While constant monitoring inside of locker rooms and changing areas might be the most effective way to prevent problems, we understand that this would likely make some skaters uncomfortable and may defeat the purpose of the policy. Only competitors and credentialed coaches and family members are permitted in the changing rooms.

Parents in Changing Rooms

Except for competitors who are under the age of ten (10), we discourage parents from entering changing rooms unless it is truly necessary. We recognize that the youngest competitors rely on parents to assist them in getting dressed, applying makeup, styling hair and other preparatory activities; however, we encourage parents to complete these activities as expeditiously as possible and to only remain in the changing room for the time necessary to complete these activities.

Coaches

Coaches are expected to abide by the U.S. Figure Skating Handbook at all times:

- Any individual meeting between coaches and skaters should occur when others are present and where interactions can be easily observed.
- Where possible, an individual meeting should take place in a publicly visible and open area, such as the lobby or snack area of the arena.
- If an individual meeting is to take place in an office or a locker room, the door should remain unlocked and open.
- If a closed-door meeting is necessary, the coach should inform and include another coach, board member and/or volunteer and most importantly a skaters parent and ensure the door remains unlocked.

Cell phones and other Mobile Recording Devices

The use of cell phones and other mobile devices with recording capabilities, including voice recording, still cameras and video cameras, is strictly prohibited in changing rooms, rest rooms, and any other room in which it is reasonably expected that skaters might be changing clothes. If a cell phone or other mobile device must be used, it must be taken outside of the changing room, rest room or other room in which skaters are changing clothes.

Skaters, coaches, parents, chaperones and TCFSC/MI officials or representatives will be subject to disciplinary action for violation of this Changing Room Policy or for engaging in any misconduct or abuse that violates the US Figure Skating SafeSport Policies.

To report any actual or suspected violations in immediate situations, please notify the TCFSC SafeSport Chair, Susan Gross or Club President, Claire Mazzarella. If the situation does not require immediate intervention, please make a report to US Figure Skating by email at SafeSport@usfigureskating.org.

Thomas Creek Figure Skating Club Parent/Coach Policy - Coaching Adjustment Policy

The Board of Thomas Creek Figure Skating Club recognizes that the coach/skater relationship is a valued relationship to both parties. The Board also recognizes that sometimes it is necessary to make changes to the coaching relationship. In order to (1) comply with the ethical guidelines established by the USFSA and the PSA; (2) ensure a smooth transition with minimal impact on the skater; and (3) show respect for the coaching professionals, skater, and parent(s), the Board has adopted the following policy for parents and coaching professionals.

1. The parent(s) of the skater ultimately determine the responsibilities of each coaching professional. It is the responsibility of the parent to clearly explain the parameters of the coaching relationship to each coach. This shall include
 - a. Specific skills (e.g., moves, dance, freestyle) to be taught
 - b. The duration of the relationship, if for a specific period
2. If the parent believes that a change in the coaching relationship is necessary for any reason, the parent shall take the initial action and contact every coach affected by the change, clearly explaining the nature of the change. Contact should be made in person and also in writing (not by email). Changes in the coaching relationship include:
 - a. the addition of a coach for a short period or for a specific purpose
 - b. the addition of a coach for an unspecified duration
 - c. changing the coaching responsibilities from one coach to another
 - d. terminating the relationship with a coach
3. Each coach is to be considered a professional on equal footing with other professionals that work with a skater. If a parent wishes to appoint a "head pro" to coordinate coaching responsibilities, that shall be stated clearly in writing to all coaches. In the absence of such a clear appointment, no coach should assume that they have the authority of a head pro or to direct other coaches as to their responsibilities.
4. Any anticipated absences by a coach should be communicated to the parent(s). In the absence of such communication, a parent may approach another coaching professional and establish either a short term or long term relationship, but shall continue to attempt to communicate with the original coach to the extent practicable.
5. Where appropriate, concerns by a coach regarding another coach's actions should be first addressed to the parent of the skater and not the other coach. If a resolution is not possible, the concerns should be brought to the attention of the Board by the parent or either coach.

The Board believes these policies reflect its goal of providing a professional and respectful environment for skaters, coaches and parents.
