Dear Parishioners,

I'm sure this summer of 2020 is challenging with the many new limitations of travel and vacation getaways. But for me it is pretty much a normal summer, because I'm not a big time traveler. Rather each summer I enjoy what Ohio has to offer whether that be Cedar Point, the Lake, or Indians Baseball. Since my family didn't travel much as a kid local activities held a special place in my heart; most especially the local activity of my parish's annual festival the Tiffin St. Mary's June Fest.

Everyone in Tiffin knew that summer didn't begin until St. Mary's had their annual June Fest to kick it off. Yes the festival was a big deal for my family and the activities that occurred formed me in my youth. In elementary I recall being in a rivalry with my cousin to end the school year. The June Fest was one of the first things during summer break. I recall at the June fest my cousin winning a toy car and as a peace treaty he gave me the car as a sign of love. Ever since he gave me that gift we have been good friends to this day. Yes the June Fest even taught me a lesson in forgiveness.

The games at the June Fest were fun. I remember there was a basketball competition that I would blow so much money on. I recall competing with rival kids from the area schools to see who could make the most foul shots in a row. It killed me as a public school kid whenever I was outdone by a Calvert Seneca when I came to this competition. I always had a chip on my shoulder since my mom wanted me to go to the Catholic School but my dad got his way by sending me to his alma mater at the local public school of Hopewell-Loudon. But even when I lost to a Calvert Seneca the festival was always a blast!

My mom and dad worked the cake wheel and my sister and I worked the cotton candy booth. My sister and I loved working the booths because we knew we were serving our parish and we enjoyed hanging out with the other kids from different schools to get the job done. As long as I wasn't competing with the rival Catholic school kids they were actually pretty cool. While my sister and I had a blast it was more of a chore for my mom and dad since they ran the Cake Wheel. But even though they had to sacrifice their weekend my mom and dad loved our parish and it showed. I always kind of chuckled when I saw my dad (the strong German farmer) go out of his comfort zone and work the cake booth. He is skilled in the fields but he always struggled when it came to working with the public as the cake wheel money collector. He did his best though when a contestant tried to cheat by moving their quarter to a different spot once the cake wheel started to slow down. Though my dad didn't exactly look forward to the festival ... he always showed up because he loved our parish. With this in mind I would like to thank all of our volunteers for this year's festival as well as all of those who volunteer in any way at St. Joseph's or Sacred Heart parishes!

Yes I learned so many lessons and had so many great memories at the Tiffin St. Mary's June Fest. Sadly though... the youth of Tiffin will not be able to experience the joy of such things as 5K races, the cotton candy booth and the basketball competition like I used to in my youth. About 7 years ago they just couldn't get people to help out for the annual June Fest and St. Mary's Tiffin discontinued the summer event. With this in mind I would like to acknowledge the dedication it takes to keep a parish festival going. These days there are fewer and fewer festivals occurring in our Diocese and the ones that continue survive because people like my dad go out of their comfort zone for the love of the Church. Please join me in supporting Bethlehem's Sacred Heart Festival today in some way!

**In Christ,**

**Fr. Jeff**

**FESTIVAL DAY IS HERE !  
COME ONE....COME ALL !  
SACRED HEART 127th FESTIVAL**

- **NEW THIS YEAR :** All workers are to check in at the west doors of the hall prior to your shift to have your temperature checked and collect a mask if you didn't bring your own.
- Since masks are now mandatory in Ohio, we will implement the following masking guidelines: everyone working with food (kitchen, serving lines, car hop, waitresses), is asked to wear a mask during your shift. This includes anyone else inside or in the kitchen and anyone outside who is not able to maintain 6 feet distancing, unless a medical condition prevents you wearing a mask. We will have masks, gloves and plenty of hand sanitizer available, but you are welcome to bring your own mask if you prefer.
- **Festival Clean-up.** After enjoying a day at the Festival comes the clean-up! We will begin Sunday following the festival at 7:00pm and continue Monday morning the 27th and that evening at 6:30pm if needed. Everyone's help would be greatly appreciated !

**Thank you for your continued support !**

Of course, cash and checks will continue to be accepted. You may also drop your offering into the mail slot at the parish office as well. The baskets in the back of church are only collected after Saturday and Sunday Masses.
