

## **Who is The Connoquenessing Valley Community Chest?**

The CVCC is a non-profit community organization that provides direct financial help to several organizations within our community – The Community Park, Southwestern Butler County Food Cupboard, Parents In Toto Autism Resource Center and The Zelianople Area Public Library. These organizations provide year-round training, education, assistance and recreational services to our communities; Zelianople Boro, Harmony Boro, Lancaster & Jackson Townships...

### ***Continued...***

... We believe that maintaining an active support system within our communities is an essential part of any thriving community. We believe that when the citizens of a community help to maintain the very organizations and services that make a community unique, that involvement directly lifts the spirit and raises the collective consciousness of the citizens of those communities. The CVCC encourages all citizens to participate in our Local Annual Fundraising Campaign. This support ultimately comes back to nourish & encourage who we are as a community.

The CVCC Local Annual Fundraising Campaign kicks off every September. For nearly 70 years The CVCC has worked as a fundraising arm for many organizations. Using all volunteer help, the CVCC works to promote cooperation between businesses, residence and these organizations. 100% of contributions go to enable these local organizations to do what they do best; provide services our community could not manage without!

You can rest assured that every dollar raised goes to these worthwhile organizations.

Your support will and does **MAKE A DIFFERENCE!**

With just a donation of \$50 a year (\$4.17 per month) you can help The CVCC meet our goal. Won't you please give today?

We are always looking for volunteers. Give us a call or e-mail us. Our doors are always open.
