Aidan Dodson is honorary Professor of Egyptology at the University of Bristol, where he has taught since 1996. A graduate of Liverpool (BA) and Cambridge Universities (MPhil & PhD), he was elected a Fellow of the Society of Antiquaries of London in 2003, was Simpson Professor of Egyptology at the American University in Cairo for the spring of 2013, and Chair of Trustees of the Egypt Exploration Society from 2011 to 2016. He is the author of some 25 books, on both Egyptology and 19th/20th century naval history; his latest book, *Tutankhamun, King of Egypt: his life and afterlife*, is due out from the American University in Cairo Press in October.

Salima Ikram is Distinguished Professor in Egyptology at the American University in Cairo, where she has taught since 1994. A graduate of Bryn Mawr College (AB) and Cambridge University (MPhil & PhD), she is a specialist in animal remains, working on a wide range of excavations, and directed the Animal Mummy Project, the North Kharga Darb Ain Amur Survey, Valley of the Kings KV10/KV63 Mission, co-directed the Predynastic Gallery project at the Egyptian Museum, Cairo and the North Kharga Oasis Survey. She is the author or editor of some thirty books, most recently *Basketry from the Tomb of Tutankhamun: Catalogue and Analysis* (with Andre Veldmeijer, Sidestone Press, 2022).
