The Production Permit Applications, if granted, would authorize the Applicants to drill and operate a water well within the District according to the terms and conditions set forth in the permit. Persons desiring to protest or provide comments on these applications must comply with District Rules 5.4 and 5.8. In order to officially protest an application, a person must submit a written contested case hearing request to the District not later than five (5) calendar days before the scheduled hearing date, or no later than Thursday, April 9, 2020. Public comment may be submitted prior to or in person at the hearing. For additional information about these applications or the permit hearing process, please contact the District at:
