

Whittemore Improvement Association - Newfound Lake

Bridgewater, New Hampshire 2015 Newsletter

WORDS FROM THE PRESIDENT

The beach restoration project is finally finished. Thank you to all the dedicated members who spent their time and efforts to make our beach so enjoyable and our properties so valuable. A special Thank You to Vice President Will Fullerton who managed the entire project this past fall/winter. Our Treasurer Diane is waiting for your Annual Dues as well as a VOLUNTARY CONTRIBUTION to help build up our bank account after we drained it with the Beach Restoration Project. Our Secretary Noreen has done another great job putting together this Annual Newsletter. See you at the Opening Meeting, and hope everyone has a great 2015 season.
Joan Dobbins

**NO WHEELED VEHICLES OF ANY KIND WILL BE ALLOWED
BEYOND THE PARKING LOT.**

We hope that all of our members will enforce and adhere to this rule. If any member needs help with their kayaks, please ask for help at any time. Thank you,

Total Payment	\$ <input type="text"/>

Please make checks payable to WIA

Mail payments to: Diane Farraher-Smith, 63 Walden Pond Avenue, Saugus, MA 01906

WIA MOORING POLICIES

Mooring regulations require that for those who wish to remain on the mooring list, their dues **MUST BE PAID** by **June 20th, 2015** otherwise your name will be removed from the waiting list and will not be reinstated until your dues is paid. Additionally, your name goes to the bottom of the waiting list. If any current permit holder decides to forfeit their permit, they must notify the WIA so that the mooring can be offered to the next member on the waiting list. Mooring expenses are borne entirely by the permit holders (rate is currently \$100.00 per year). To be placed on the waiting list, or if you have questions regarding moorings, contact one of the association officers. The public boat ramp at Wellington State Park provides an alternative site for our association members to have access to the lake for their boats, if they are not able to use our association mooring field. There is no charge for launching boats at the ramp, and it is wide and easy to access.

To be added to the Temporary Use Mooring List...

In the event that a mooring becomes available for temporary use, and in order to reduce the time needed to assign a temporary mooring to a suitable boater, it is requested that all persons on the mooring list who are interested in a temporary mooring, if one should become available, you should provide the items listed below to the Mooring coordinator on or before June 20th. In addition to all other regulations herein, the user of a temporary mooring shall pay a fee of \$40.00 to the Treasurer to be deposited into the Mooring Account, for each separate use of a mooring during the boating season.

1. Copy of Boat Decals
 2. Copy of Proof of Insurance in an amount not less than \$100,000.00
- Mail to- **Tony Bonaccorsi, 30 Douglas Road, Dracut, MA 01826**

WIA MEMBERSHIP

Annual Dues is predetermined at a set rate per family. To assist in accommodating all WIA members who would like a canoe/kayak spot – for the 2015 summer season, there will be a limit of one spot per family/household. Waterfront property owners can contribute a “good faith” donation of \$30.00 toward beach improvements.

If you are not a member of the WIA, please help maintain your beach by joining.
Only paid WIA members and their guests may use the parking lot, dock, raft, beach storage shed and any other equipment.
To qualify for a boat mooring, property owners in the WIA must maintain continuous membership.
