Did you know? ... your generous donations in Lent 2018 were matched by the UK government. So far, CAFOD has taught 1,403 people how to adapt their farming methods to a changing climate; identified 17 sites for new community vegetable gardens; planted 233 fruit trees in schools; trained 27 nurses and community health workers to spot malnutrition. In addition, we're on track to reach 239,000 people across Zimbabwe, Eritrea and Zambia by the end of 2021. Thank you so much. More will happen over the next two years and we will keep you informed.
