

May 16, 2020 – 4:30pm update

Dear Super 60 Coaches & GMs

We send our best wishes for everyone to continue to stay safe during these tough times! As of our May 15th update from the State of Louisiana EMS & HHS leaders, we are now in Phase 1 of “Open Safely”. As per Phase 1 rules, we will have NO indoor sport activities over 10 people until AT LEAST June 26th at the earliest. As a result of these Phase 1 dates, the Phase 2 dates would only allow up to 25 people for indoor sports (which would not be enough for 2 teams plus coaches, scorers, refs, etc.) starting June 26th at the VERY earliest if all goes well in Phase 1. As a result of the June 26th date, the Phase 3 dates (which will allow for more than 25 people but less than 100) would NOT go into effect until AT LEAST July 17th. As a result, we will not be able to play the 2020 Super 60. We had secured the only open weekend for our main venue of June 20-21. However, since we cannot play on these dates per Phase 1/2 health/reopening reasons, we sadly have to officially cancel the Super 60. We will refund the remaining registered teams on Monday May 18th and you will receive your entry fee refund by May 22nd at the latest. We had over 260+ teams registered for our 2020 event as of March 15th & hope that all will place our 2021 Super 60 on your team schedule for Memorial Day weekend (May 29-30) next year. Nobody can know for sure how the Covid-19 event will evolve, but our hope is that all of you & your family remain safe until we return to some type of normalcy. Thanks so much, sorry about 2020 & please stay safe - Super 60 Staff
