Hello all,
Happy New Year! I trust that the holidays were prosperous and fruitful for you and your business. There are a lot of new things in store for the Hilltop Area of Tacoma in 2018. One of the new things in store for the Hilltop is “Construction” and lots of it. Though progress can be a good thing, it also can come with the cost of inconvenience, loss of revenue, and unexpected deficits. We are hoping that progress is something that will bring about growth and increased business. This may be the final year for the Hilltop Street Fair on our main street of MLK Way, as the new Sound Transit extension is scheduled to begin construction down the middle of the street in the Fall of 2018. Once construction begins, there will be no festivals or events allowed on MLK. Nevertheless, we are at work with the City of Tacoma and Sound Transit to find workarounds for our annual festival that now attracts nearly 20,000 visitors to the Hilltop in one day. A big question that is looming in discussions is: “Is the city of Tacoma interested in existing businesses on the Hilltop in the future?”

Now, with new administration coming into City Hall, there may be even opportunity on the Hilltop for existing businesses to flourish, or maybe new business is all that the city ever wanted. We’re hoping that “new” includes “existing” as well. We will begin to see in 2018.

If you have ideas or suggestions for how we keep our main street relevant to business in 2018 and beyond, write me at assteele@msn.com.

All the best,

Anthony Steele, President
Hilltop Business Association

The Tacoma City Council is looking to fill three positions on the Tacoma Community Redevelopment Authority (TCRA) Board – one position requiring experience as an attorney; one position requiring experience in the construction or development of affordable housing or mixed use projects; and one position requiring at least three years of experience as a licensed real estate broker.

The TCRA Board, among other things, administers loans to a variety of populations including low-income Tacoma families who need help buying or repairing their homes, developers that provide multi-family housing to low-income families, businesses that create jobs or rehabilitate blighted commercial spaces, and non-profit organizations that provide housing assistance and economic development services to the Tacoma community.

Board members serve two-year terms. To the extent possible, the TCRA Board shall be comprised of two members with experience as attorneys, two members with experience in banking or financing, two members with experience in the construction or development industry, two members with experience as certified public accountants, and two members with three or more years of experience as licensed commercial or residential real estate brokers or agents.

Additional information on the TCRA Board is available through Carol Hassard at (253) 591-5645 or chassard@cityoftacoma.org. Applications must be submitted to the City Clerk’s Office by Friday, January 26, 2018.

Dear Friends,

I appreciate that several businesses have submitted their membership fees already. We are off to a very good beginning. Last year we had 72 paid members in the district and I hope this year to approach 100 members. Our district is growing and in many ways doing very well. We have a full slate of Executive Board members. And each one brings special talent and resources to the table.

The Board will hold its annual retreat on January 22nd from 4 PM to 9 PM. It is my hope that a Vision for the Hilltop will continue to emerge and evolve as we go forward. We all look forward in one way or another to the beginning of the Link Rail that will be an asset to our district, but there are several issues that will emerge while the construction is happening.

I look for a few things to be set in motion this coming year, and have listed some intentions for our district.

1.) I intend to see the replacement of our Banners that define the Hilltop Business District. In doing this I intend to gain approval of the businesses and hopefully attend a meeting with the Hilltop engagement group to be sure we are all on the same page in this area, and work with the neighborhood councils to partner and see that this task is complete and funded.

2.) I intend to see the planters fully operational with the right plants or shrubs in them and done so with beautiful plants that will flourish. It may be necessary to test the soil for adequate plant growth.

3.) We will increase and grow the events in the district. The Hilltop Street Fair while it is our signature event will see a new theme this year “Hilltop On The Move” which will take into consideration the Link Rail coming in and also be a theme for movement such as dance, Hip Hop and the Kinesthetic Arts which will be focused on art work that will feature sculpture that has motion as its theme.

4.) The Cherry Blossom Festival and Wine Walk will be in its second year and it is my intention to include more of our district’s Asian population in this event to honor and historically understand the directions this community asset has been through in bringing its culture to our district.

5.) The Holiday lights will need a committee to form early in the year to address ways and financial means with which to better light up our district and enhance our businesses in a way that will make the Hilltop Business District more inviting to those visiting the district and shopping in our stores and eating at our restaurants.

There are many more ideas that will emerge in the coming year, but I think these ideas are manageable and can reach completion if we all work together.

My thanks goes out to all in the district for the honor and privilege of serving as your manager.
