

Single Table Tournaments – Session A

Tuesday Nights / Original's Ale House

How this works?

- The single table tournaments will be held on **Tuesday** nights during **Session A**.
- Each single table will have a maximum of **9 players**. A minimum of 4 players are necessary to start a single tournament table. It may be possible to host multiple tables throughout the night.
- The starting stack for this tournament is **15,000 chips**.
- This game is 'Win the Button', where the winner of the hand is the Button (Dealer) for the start of the next hand. The player on the Button will serve as the Dealer for the hand.
- Blinds will increase every **6 hands**.
- Play will commence at 7pm, and a formal 25-minute **dinner break** will be scheduled at 8pm. Players are expected to support the host bar through purchases of food/beverages throughout the night.
- Additional **short breaks** can be taken throughout the tournament, if all players are in agreement.

Rewards:

- The winner of each single table tournament advances to the **Winners' Cup Tournament** (Session A) on Thursday, March 15th.
- All players earn **Player of the Series** (POS) points, weighted by the number of entries, and bounties earned. The POS points are used to qualify for the **Player of the Series Tournament** at the end of the overall series – where a travel package to Europe will be awarded.
- The final three players will each earn "Legs" towards a seat at the **TPL Main Event** on Thursday, March 1. (A player needs 10 Legs to qualify for this tournament).
- **NEW:** Each player will earn '**Series Points**' depending upon their finish at the tournament, (i.e., Winner of a 9-handed table = 9 points, Runner-up = 8 points, etc.) The Top 16 players will be invited to play in a private tournament on Thursday, March 22, where a travel package to Montreal will be awarded.

Blind Structure:

Level	Small	Big	Ante
1	25	50	-
2	50	100	-
3	75	150	
4	100	200	-
5	150	300	25
6	200	400	25
7	250	500	50
8	300	600	75
9	400	800	100
10	500	1K	200
11	750	1.5K	300
12	1K	2K	400
