

# Distance Learning Picture Information

Greetings Parents of Distance Learning Students,

School pictures for distance learning students will take place between 9:00 AM - 2:00 PM on Wednesday, February 17th. To schedule your child's picture appointment, please use this [LINK](#). Pictures for distance learning students will take place on the middle/high school campus. A map of the middle/high school campus with instructions is attached. Students will remain in their vehicle until directed by a staff member to exit. Students must wear a face mask while on campus; they will briefly remove it to take their picture. Students will also have their temperatures checked before entering the building.

Lastly, students should be in school uniform for these pictures, which will be used in our school's yearbook. Parents can also purchase the pictures online at [www.leonards.com](http://www.leonards.com). Ordering information is also attached to this email. If you wish to order pictures in person, please have the order form completed and your payment ready. Checks must be made payable to Leonard's.

If you have any questions, please contact the school at 863-419-3171 or 863-419-3170. Thank you and have a great night!
