

WEST OSWEGO KINDER CARE HAS SPACES AVAILABLE FOR NEW STUDENTS

— Sandy Conrad
sconrad@fvshopper.com

West Oswego KinderCare has space available for your child! Located at 100 Pfund Court (800/709-8814, 855/980-7029) the school was opened in 2000 to serve children in Nursery, Pre-School and Pre-Kindergarten programs that are based on the well respected KinderCare model.

KinderCare was established in 1969 and for fifty years has been the standard for schools where children can learn through exploration and discovery in a safe, nurturing environment. There are presently more than 1300 community based centers throughout the United States. KinderCare leads the nation in number of accredited centers which provide children with skills that will enable them to achieve success later in school and in life.

Infant Programs are for children 6 weeks to 1 year; Toddler, for children 1 -2 years; Discovery Preschool, for children 3-4 years; and Prekindergarten for children 4-5 years. Additionally, there are Before and After School programs for children age 5 – 12 and Summer Programs for preschool, prekindergarten and school age children.

Learning, according to KinderCare expectations, is meant to be a natural, joyful experience. It has been determined that children learn by playing, experimenting, exploring and testing and that they flourish when the process of discovery is lovingly encouraged and gently reinforced.

The staff of West Oswego KinderCare takes pride in the education and care that is provided to all students and they strive to meet and exceed parent desires. Their goal is to make learning fun – whether it be counting, finger painting, reading or simply experimenting.

The health and safety of students is of utmost importance. Thus, entrance to the center is by means of a security-code access door. Strict pick up procedures are in place based on the family's written requests. Specific vendors provide high quality toys and equipment which are regularly inspected to ensure that they are safe and in good repair.

Toys are sanitized frequently and the center receives daily and weekly cleaning. Additionally, a doctor visits the school and is available for consultation when needed, regarding health related topics.

Transportation is provided from the West Oswego KinderCare center to local area schools, including East View, Old Post, Prairie Point, Fox Chase, Hunt Club, Southbury, Churchill, Boulder Hill and Long Beach.

Prospective parents are invited to tour the facility and see classrooms in action.

Hours of operation are 6:15 AM to 6:15 PM, Monday through Friday. The West Oswego center accepts subsidy families; call to inquire regarding requirements and details for enrollment.
