## **February 25, 2017 Saturday Foot Reflexology Open House 11 to 4pm** with Harry Hover available for sessions

Reflexology is gentle manipulation or pressing on certain parts of the foot to produce an effect elsewhere in the body. Reflexologists propose that the blockage of an energy field, invisible life force can prevent healing. Another tenet of reflexology is the belief that practitioners can relieve stress and pain in other parts of the body through the manipulation of the feet. **Harry will offer 20 minutes sessions for \$20.00.** He is great and this is not to be missed!

Harry Hover is a Healing Arts Practitioner trained in Reflexology by the International Institute of Reflexology. He has been promoting relaxation and stress relief since 1986.
