Volunteer Apparatus Operator Job Description

The primary function of a Mescal-J6 Volunteer Apparatus Operator is to support the mission of the Mescal-J6 Fire District by driving apparatus and personnel to/from the scene of emergencies, training sites, and other MJFD sponsored events. Experience driving large vehicles, heavy equipment and/or fire apparatus is required.

Essential Functions

Essential Functions are not intended to be an exhaustive list of all or every responsibility, duty and skill. They are intended to be accurate summaries of the tasks available to Apparatus Operators.

- Safely operates fire apparatus and other District vehicles, in both emergent and non-emergent situations.
- Cleans equipment and apparatus after returning from a fire;
- Inspects equipment and apparatus and notifies superior officer of any defects;
- Makes minor repairs to equipment and apparatus, performs routine preventative maintenance tasks, and keeps records of such action;
- Participates in training activities and instruction sessions as necessary;
- Acquires and retains a thorough knowledge of the District, including streets, buildings, water supply, unusual hazards and related items;
- Performs all work duties and activities in accordance with District policies and procedures;
- Works in a safe manner and reports unsafe activity and conditions. Follows District safety policy and practices and adheres to responsibilities concerning safety prevention, reporting and monitoring as outlined in the District's Safety Handbook.

Other Duties and Responsibilities:

- Completes other asks as assigned.

Knowledge, skills and abilities

Knowledge of:

- The geography of the Mescal-J6 Fire District and surrounding areas, (or the ability to quickly learn this information), including the streets system, the layout and location of public utilities and commercial buildings.
- Fire apparatus, pumping and water delivery systems, and hose evolutions.

Ability to:

- Successfully meet the Mescal-J6 Fire District's physical agility requirements and pass entry exams;
- Work within a command structure requiring strict adherence to the following of orders;
- Work in a team environment, occasionally under extremely stressful situations;
- Quickly learn and put to use new skills and knowledge brought about by rapidly changing information and/or technology;
- Learn and correctly apply routine division and department policies and procedures;
- Read, comprehend, and follow simple oral and written instructions; and to understand and apply available guidelines to varied operational requirements;
- Perform a wide variety of duties and responsibilities with accuracy and speed under the pressure of time-sensitive deadlines;
- Demonstrate integrity, ingenuity and inventiveness in the performance of assigned tasks;
- Communicate effectively both orally and in writing, with the public and other employees.
