Resignation forms must be received by March 31st. There is a two-week grace period whereby the board will accept resignation requests with a \$50 late fee charged upon submission of the resignation form. After April 15th, any member resigning will forfeit their bond and cancel their membership. No bond refunds will be issued if a member resigns after April 15th.

Date of Resignation: ____/____/____

I hereby resign my membership from The Country Pool Club.

- I have enclosed my membership bond certificate. Bond Number: _____
- I no longer have my membership bond certificate, but fully understand that upon signing this resignation form that I, my heirs and assigns waive any future claim to this membership share in the Country Pool Club Corporation.

Refund of Membership Bond

The bond is the amount deposited by the joining member upon initial acceptance into the Club. This amount is held, at no interest, as the capitalization of the Club. Your bond will be refunded to you in the Fall of the resignation year, net of any fees owed, upon actual replacement of the resigning member by a new member whose incoming membership bond share has been received. You will be placed on a list of resigning members and refunds will be given in the order of date of resignation request. Alumni members forfeit their bond upon conversion to Alumni status, so there is no bond refund due to resigning alumni members.
