Recycling Fund Raiser

Please consider donating your beverage containers that have piled up over the holiday. If you wish to donate your beverage containers, you can do so by dropping your bags into the green bin next to the parish centre door. We ask that you drop off your recycling in this bin on Mondays if possible. This will give time to bring the bags to the depot and get a report for the bulletin. Please remember this is for beverage contaners only (pop cans, juices boxes, liquor bottles, beer bottles) not milk cartons, soup cans or plastic containers. Please be careful as to what you put in the recycling bags. The containers must be cleaned and caps removed. Thank you to all who are contributing. **To date we have \$799.30 in our recycling account.**

Cemetery Committee – A Vital Service to Our Parish

The operation of our cemetery is a very important function we provide to our parishioners.

Currently our Cemetery Committee is short a couple of members, so we are asking for volunteers who could lend their time and talents to assist with this essential service.

If you can commit a small amount of your time to a monthly meeting and occasionally be available to help with graveyard management, we would be most appreciative.

On Thursday, April 22, 2021 at 7 pm, there is a joint meeting of the Finance Committee and the Cemetery Committee at the Parish Centre.

The goal of this meeting is to reactivate our Cemetery Committee so that we can continue providing this vital service for our parishioners as efficiently as possible.

If you would like be part of our Cemetery Committee, please contact Helen Butler at the Parish Office at 834-2919.
