County of San Diego,
Attn Jim Bennett
5510 Overland Avenue, Suite 310
San Diego, CA 92123

Dear Jim

As you already know, Borrego Water District retained the services of Environmental Navigation Services, Inc. (ENSI) to provide a variety of studies related to the implementation of the Groundwater Sustainability Plan (GSP) for the Borrego Springs Subbasin (Basin) of the Borrego Valley Groundwater Basin and its possible impacts upon BWD infrastructure and the Borrego Springs Economy. All of the Reports have now been completed and BWD is submitting them to The County and become part of the public record for the comment period of this Basin's GSP.

Sincerely
