Faith Based Excursions in Cuba

A unique part of the cruise will be your excursions in each port. Most excursions are included in your cruise package and pricing.

Cuba has activities for everyone! From beach days to city tours, from history to adventure and culture. The excursions will show the authentic side of Cuba.

In addition, ETS guests will have exclusive visits** to churches and ministries to learn the history of the church in Cuba and interact with clergy and ministry workers. There are active churches and ministries from many denominations in Cuba – Catholic, United Methodist, Episcopal and more. You will visit some of these churches in each port.

**Custom church visits require a minimum of 25 guests.
