RECITAL MAKE-UP APPLICATION

All Impulse dancers require stage make-up for picture day and recital shows. This is an important part of the performance experience. Stage make-up highlights facial features and expressions during performances.

Stage Make-Up List:

- foundation or face powder (*if necessary to smooth out complexion)
- eye-shadow in neutral browns (medium shade on eyelid, dark shade along crease, light shade up to eyebrow)
- black eyeliner and black mascara
- blush in reddish-pink
- lipstick in reddish-pink

*Remember! No nail or toe polish. No jewellery (including earrings).

***No underwear** under costumes. Underwear can be seen under costumes and is unsightly onstage.

*No bangs (please slick back with gel and use pins). It is important to keep hair out of dancers' faces while performing.

*Use lots of Bobby pins to secure buns/ponytails. The use of a sock-bun or bun-maker is highly encouraged, along with a hair net.
