

EAST VALLEY BASEBALL LOCAL RULES

(Revised for Fall 2023)

Rules Common to All Divisions

*Any situation not covered specifically in these local rules is governed by PONY Baseball rules.
Any situation not dealt with in either place is governed by the rules of Major League Baseball.*

Parent/Player/Coach Conduct Rules Common to All Divisions

1. All Managers, coaches and players **MUST** be in proper, current league-issued uniforms for games. For players, this includes hats, belts, socks/stirrups and jerseys. Players must wear plain white pants. Managers and coaches **MUST** wear league issued hats and shirts (tucked in) and wear khaki shorts (not passed the knees), khaki pants or baseball pants. **NO JEANS!!** You will not be allowed on the field of play without proper attire. If a player is removed for this violation, the team will take an out in that player's spot the first time through the batting order. The player may return and resume their spot once uniform requirements are met. Repeated violations will result in suspensions for Managers, coaches and players.
2. No official, player, manager, coach, spectator, or fan shall lay a hand upon, push, shove, strike, threaten, verbally abuse, or otherwise endanger the safety of any other official, player, manager, coach, spectator or fan. Any such conduct **MUST** be reported to a member of the Board of Directors (BOD) of the League within 48 hours of the alleged offense. The offending party will be immediately expelled from the league, in accordance with the by-laws and the League Code of Conduct, and must appeal to the BOD for reinstatement.
3. If any player, manager, coach, spectator, or fan is ejected from a game, an automatic and mandatory **one game suspension** shall be imposed against that individual following that individual's ejection from any league, travel or tournament game. The mandatory one game suspension is the minimum discipline to be imposed and is not subject for review or appeal. Imposition of the mandatory suspension does not substitute for, limit, or restrict the BOD authority to review and investigate all allegations of misconduct and, when appropriate, recommend additional disciplinary action to be taken by the BOD, in accordance with the By-laws. Managers are required to report an ejection of any party from their game to the President of the League within 48 hours of the conclusion of the game. Failure of a manager to report an ejection will result in a one game suspension and/or additional disciplinary action against the manager. As voted on by the managers, any manager or coach who is ejected **MUST** sit out their next weekend game and will be on facility clean up duty for the entire day.
4. Additionally, any manager, coach or parent ejected from a game by the umpire (for any reason) will be suspended their team's next scheduled game and will be assigned trash and bathroom duty for the duration of one game time of the division they were removed from. Any manager, coach or parent not fulfilling their obligation, will be removed from the team and/or face possible expulsion from the League. *There will be no appeals; umpire judgment is final.*
5. Any manager who benches a player for disciplinary reasons **MUST** notify the umpire and the opposing manager at the time he imposes the discipline. If a manager benches a player and that player's turn at bat comes up, the manager can elect to have the player re-enter the game to bat or take an out for each at bat the benched player misses. All disciplinary actions by the manager **MUST** be brought to the President, in writing, within 24 hours.
6. Only live-scanned managers/coaches (in proper league issued uniforms), dugout supervisors (in uniform) and players (rostered to that team and in proper league issued uniform) shall occupy the dugouts. All spectators must remain out of the dugout and off the field of play before, during and after games.
7. All managers/coaches must complete National Association of Youth Sports (NAYS) coaching certification online; and all League Volunteers must be Livescanned, Background checked, and complete online certifications in Concussion Protocol, Sudden Cardiac Arrest & Child Abuse Awareness from NFHSLearn.com. They are free courses..
8. All spectators must view the game from the bleachers, the side of the bleachers or behind the bleachers. Spectators may not view the game up against the fences in front of the bleachers. All spectators/fans/players/coaches must cease chatter and cheering as the pitcher begins his motion.

Game Rules Common to All Divisions

9. Both teams, "Home" and "Visitor", shall be responsible for field maintenance before and after games and practices at East Valley or any other facility where games are scheduled. **Home team of the game just completed is responsible for the pitcher's mound and home plate area. Visitors of the game just completed are responsible for the bases, infield dragging and watering. The arriving teams are responsible for any temporary fencing.**
10. Each team shall have a maximum of thirteen (13) players, when applicable. Spirit Division shall have a maximum of ten (10) players.
11. A minimum of eight (8) rostered players present at the scheduled game time is necessary for a team to play. If only eight (8) players are playing, the ninth spot in the batting order shall constitute an automatic out only on the first occurrence. *(This rule does not apply to Spirit.)*
12. Seven (7) players or less in attendance at the scheduled game time shall constitute a forfeit. Game time is defined as the scheduled start time of a game as defined by the League schedule. With weekend games, the scheduled game time will be considered as 15 minutes after the last out of the previous game, should games run late. There is NO "grace period" for game times. However, the game will still be played as a practice game. *(Rule does not apply to Spirit.)*
13. **No player may sit for more than one defensive inning in a game until every other player has also sat for one defensive inning.** No player may sit for a third inning until every other player has also sat for two defensive innings.
14. No defensive pre-inning instructional meeting is permitted on the mound. This will be charged as a trip to the mound.
15. When playing an inter-locking schedule with another league at their facility, the local game rules of the "host" league shall apply, excepting Rule 13 (above) and EV pitching/catching limitations.
16. Any player, who in the judgment of the umpire, is observed abusing equipment may be ejected from the game and may be subject to suspension by the league. *See also Conduct Rule 3*
17. A team may have only two (2) offensive coaches (see exceptions for Spirit, Shetland & Pinto), one each in the first and third base coaching boxes on the field of play. All other coaches and team personnel are to remain in the dugout.
18. There is no mercy rule in effect. However, a five (5) run per inning rule is in effect as per division rules, and is lifted during the last 2 innings of a scheduled game. For a 4 or 5 inning game, innings 4 & 5 are open. For a 6 inning game, innings 5 & 6. For a 7 inning game, innings 6 & 7.
19. Spirit must use "T-Ball" only bats. Shetland through Pony must use approved bats stamped with the USA bat standard logo, and a barrel size no larger than 2 5/8". In Pony, it is recommended to use -3 BBCOR bats, however, up to -8 may be used. Colt must use -3 BBCOR bats. Wood bats are allowed in all divisions. Any batter who enters the batter's box with an illegal bat will be declared out, and the manager will be issued a warning. A second infraction by a team in the same game will result in the Manager's ejection. *(Note: a USSSA stamp is not the same as a USA stamp)*
20. In all divisions above Spirit, points are assigned as follows: win equals two (2) points; tie equals one (1) point. (Ties will not be replayed.); loss equals

zero (0) points. **(Scores & standings are not kept during the Fall season; playoff seeding will be by random draw.)**

21. If a game ends in a tie (the amount of innings that constitutes a game has been played) and there is still time remaining; the game shall go into extra innings, provided no new inning starts after time for a new inning expires. Every extra inning will begin with the last batted out from the previous inning as a runner at second base (California Tie-Breaker). A maximum of 9 innings shall be played, time and daylight permitting.
22. The loss of a player during a game due to injury, illness or any other reason shall result in automatic out only on the first occurrence. If the player leaves prior to having an at bat, there will be no violation provided the team has at least 9 remaining players. (This rule does not apply to Spirit.) Any player removed from a game due to injury, may not re-enter the game and must have a licensed doctor's note delivered to the League President in order to return to play or practices. All injuries MUST be reported to the President immediately.
23. Rostered players must play in at least 50% of the team's season games in order to be eligible to play in the playoffs. The only exception to this rule is players who miss games due to injury (and they must have a note from the doctor listing their "cleared to play" date).
24. All non-Championship Games (league & playoffs) in all divisions are subject to time limits. No new inning may start after time has expired. A new inning start time is defined as time of the third out of the bottom of the previous inning. Start time is defined as the printed time on the game schedule, or when the umpire calls the official time. Ask the umpire for the official start time, confirm with the opposing coach and write it down.
25. Any player who, in the judgment of the umpire, throws their bat as part of their swing shall receive a warning. Second infraction is an automatic out.
26. All equipment shall be kept inside the dugouts when not in use. This includes a prohibition against the use of ball buckets as seats on the field of play.
27. The "Home" team shall keep the official scorer's book and be responsible for the set up, break down and operation of the scoreboard.
28. Any ball hitting the telephone wires (fields 1 & 3) shall be deemed a live ball and subject to play. Balls hitting the wire on field 3 are subject to the umpire's judgment and may be declared a 'home run'.
29. Any ball hit over the fence for a home run will be declared a dead ball, with all runners on base and the hitter scoring automatically. There is no penalty for a runner missing a base, passing another runner or being 'aided' by a coach.
30. **There are no protests.** Umpire decisions are final. It's youth baseball, we're all trying to do our best.
31. There will be no soft toss into any chain link fencing at East Valley or any other facility where games are scheduled.
32. There will be no pepper or warm up throwing on the infield (defined as the area within the dirt arc or side areas of any field) at East Valley or any other facility where games are scheduled.
33. Players and team personnel under the age of 18 MUST wear protective helmets when in the batting cages (pitching or hitting). Helmets with C-flaps must be affixed by the manufacturer, because drilling holes in the helmet invalidates the safety rating of the helmet.
34. **No metal cleats will be allowed in the batting cages.**
35. On a walk, the batter may advance no further than first base in all divisions, except Colt. If the batter attempts to go to second base, they do so at their own risk. If the attempt is successful, the runner must go back to first. No other base runner may advance on an attempted play on the walked batter.
36. All scores must be entered on the LeagueApps website by BOTH teams within 24 hours of the game's end or both teams get a LOSS. (Spring only)
37. Any manager, coach or parent who removes his or her team/child from the field of play during a game will be expelled from the League.
38. To speed the game up, there will be a mandatory runner for the catcher with 2 outs. The last batted out shall be designated as the "pinch runner." This is to allow the catcher time to get the gear on and be ready for the next inning.
39. PONY Baseball has recommended that all base coaches wear protective helmets for safety reasons. Helmets are mandatory for coaches under 18 years.
40. A 90 second inning-changeover time limit will be enforced by the umpire. If the 90 seconds pass, the umpire may call balls/strikes on the delaying team.
41. There will be one (1) offensive timeout allowed per inning and one (1) non-mound visit defensive timeout allowed per inning. Any second defensive timeout will be considered a 'trip to the mound' even if the coach does not interact with the pitcher—which means the next timeout/mound visit must result in the removal of the pitcher.
42. Sliding headfirst into a base is not allowed. **If a player slides headfirst, they will be declared "out."** The only exception to this rule is for players diving back into their base of origin on a pickoff attempt from a pitcher or catcher.
43. **The "slash bunt" or "fake-bunt-then-swing" is illegal in all divisions except Pony & Colt. Batter will be declared out.**
44. For all divisions Pinto and above, pitch limits will be regulated in accordance with MLB's Pitch SMART guidelines. Both teams are required to track and check in after each half inning. These pitch limits are hard limits and enforced in addition to the existing inning limitations (i.e. a pitcher reaching their pitch limit must be removed even if they have not reached their inning limitation and potentially mid-batter; similarly a pitcher reaching their inning limitation must be removed even if they have not reached their pitch limit). Any manager found violating these pitch limits will face a one (1) game suspension. Here is the Pitch SMART limit chart:

AGE	DAILY MAX (PITCHES IN GAME)	REQUIRED REST (PITCHES)				
		0 Days	1 Days	2 Days	3 Days	4 Days
