The Los Angeles Spark, and the City of Pasadena once again partnered with Ideal Youth to present the 3rd Annual City of Pasadena Night. This year marked a milestone by welcoming the Tournament of Roses as the third partner in Ideal Youth’s annual fundraiser. This year’s event promoted Gospel Night “A Night of Inspiration” by honoring Pasadena's faith based community and its commitment to youth empowerment. The night honored Ideal Youth interns with on court recognition, along with a special post game concert with Grammy gospel recording artist Tye Tribett. The first ever post game concert for the LA Sparks!
