President Carl Neely

Greetings Everyone,

November is almost here. This is the time for football, cooler weather, leaves turning colors and the Holiday season is just around the corner.

Jeanne and myself missed the October party and the October business meeting because we were out of town for both events. I want to thank Vice President Janet Love for filling in and taking charge. She passed on that we had a relatively small crowd at the October dance but I hear there was a lot of fun had by all.

November is traditionally the month that the York Shag Club has it's re-up party for next year. We plan on continuing this tradition at our Party on November 6th with Dean Baker as our DJ, filling in for Betty Brown who is under the weather. So dust off your dancing shoes and your check book or find a spare \$20.00 bucks just laying around and plan on getting squared away for next year. Where else can you get a night at a Country Club, drinks and snacks with your friends, great beach music and dancing every month for only \$20 bucks for a whole year. I know some folks went ahead and brought their re-up form to the October dance. Thank you for getting a head start. You can find a re-up form in this edition of the Pivot if you would like to have everything filled out before you get to the party. If you won't be at the party or if you would like you can mail the form to York Shag Club, PO Box 24, York SC 29745.

There is not a whole lot of other things going on right now with the club. We will be making our charitable donations to our local groups a little closer to the holidays. We will try to keep everyone informed about this.

Our next business meeting will be on Thursday November 18th at York Seafood. The meeting will start at 6:30 pm but come early (around 5:30) to enjoy some dinner before the meeting.

This month joke:

FINALLY.... after years and years of hoping and praying every South Carolinian's dream has come true. Clemson and Carolina are going to play for the NATIONAL CHAMPIONSHIP IN FOOTBALL. Tickets are almost impossible to get unless you know someone! Billy Bob calls in every favor he has and finally gets a ticket. The game is going to be at "Death Valley" but the seat in in the nose bleed section way up high. He takes the seat and pays crazy money for it. After the kick-off he notices an old man sitting on the 50 yd. line about 4 rows up from the field with an empty seat right beside him. In the 2nd quarter the seat is still empty so Billy Bob decides he is going to go down and ask the man if he can sit there. The old man says sure. After a few minutes Billy Bob ask the old man why no one was sitting in the seat. The old man says "that was my wife's seat. We were married for 60 years and we never missed a Clemson game but she died last week". Billy Bob ask him "couldn't you get some of you family members or a friend to come with you to the game? The old man says, I tried but everyone. I ask my son, my brother, my son in law even my best buddy but they all said they didn't feel right not going to the funeral.

Well time to tell Jeanne to get in the truck!

Carl

Resignation

After many years of griping, complaining, celebrating and rejoicing about our York Shag Club Newsletter, I have made the decision to step aside and allow someone else the pleasure of putting this thing together. As you will hopefully notice on the front page, this is Volume 13, Issue 11. Those numbers represent almost 14 years of service. I did take a sabbatical while I served 2 years as your President 16 years ago, but before that I did the newsletter for 6 or 7 years. I'm not sure since it has been so long ago. Billy Joe would have those records.

In twenty years you learn a lot of things about cutting and pasting, arranging material and how to find birthday photos; some of y'all refuse to have your picture taken. We have come a long way in those years and the job has gotten somewhat easier. As some of you will remember there was a time when mailed out every issue to every member. That required a great deal of time and effort folding, stamping and printing address labels which had to be attached to every letter. We would enlist help whenever we could find it, usually on lessons night, and I appreciate all those gave their time. Thank God, most of you have finally moved into the 21st Century and learned to live with emails.

I will be putting all the information I have gathered over the years onto a thumb drive which will hopefully make the job go smoothly for the next editor, this will include many unflattering photos that he or she may or may not use. I'm sure that I won't be satisfied with future issues but I have developed patience and will not criticize anyone's work.

I have had a great time doing this newsletter and it has been a lot of fun but it is now time for someone else to become more involved with our Club and step up to the plate. I will help where and when I can.

Thank you all for the opportunity to serve you but as my Dear wife posted in the notices, I need a break...and so does she.

Remember, when in doubt, Pivot
