Subject: 2016 Annual Business Meeting (ABM)

Greetings all!!

Please mark your calendars and join us in celebrating WCBO's 40th Anniversary next year.

As you know, our ABM's are normally held in November. However, next year, our ABM will be held in July. In fact, next year's dates are July 19-22 with the meeting to be held in Casper.

Several uncommon/extraordinary events are in the early planning stages and when they are finalized, I will send you a complete agenda for the meeting. There should be something unusually interesting (and fun) for everyone.

I hope to see everyone in Casper next year for this huge event.

Thanks.
