This **JULY 15 UPDATE** is brought to you by Paul and Debbie Viborg at Viborg Sand & Gravel. The Viborg's take great pride in the quality and craftsmanship of their work. As we move into summer, now is the time to think about paving your drive or doing that smaller concrete project you've been putting off until dry weather. Paving driveways is the Viborg's specialty and their "Cart-Away" ready mix concrete is the cost effective way for a home

owner or contractor to complete a smaller project. Give them a call today at (805) 238-4368 or click on the image in the upper left to visit [www.viborgsand.com](http://www.viborgsand.com) for more information.
