Section of Calumet Trail to be Temporarily Closed

Merrillville, Ind. — As NIPSCO continues to work to replace and upgrade a natural gas line this year, the Calumet Trail will be closed from East State Park Boundary Rd. (Kemil Rd.) to Mineral Springs Rd. through the end of October. This project is just one of the existing and future investments planned as part of the company's long-term effort to modernize the gas and electric infrastructure across its entire service area.

Beginning July 19, through October 31, the Calumet Trail will be temporarily closed from East State park Boundary Road to Mineral Springs Rd. The pedestrian crossing from the South Shore's Dune Park Station to the Indiana Dunes State Park will remain open, but will be within the construction work zone. NIPSCO is working with the Porter County and other agencies to make sure proper signs and notices are provided on both the north and south approaches of the closure. Environmental surveys for the project were completed to fully assess environmentally sensitive features within the proximity of the project. As with every project, NIPSCO's project team worked with the regulating agencies and local stakeholders to avoid, minimize and mitigate environmental impacts.

NIPSCO reminds customers who travel near construction areas to please exercise caution to ensure personal safety and the safety of construction crews working on this project.

The new natural gas line is being installed to provide safer and more reliable service to area residents and businesses in the future

For more information on NIPSCO's modernization efforts, visit NIPSCO.com/future.

About NIPSCO: Northern Indiana Public Service Company (NIPSCO), with headquarters in Merrillville, Indiana, has proudly served the energy needs of northern Indiana for more than 100 years. As Indiana's largest natural gas distribution company and the second-largest electric distribution company, NIPSCO serves approximately 810,000 natural gas and 460,000 electric customers across 32 counties. NIPSCO is part of NiSource's (NYSE: NI) seven regulated utility companies. NiSource is one of the largest fully regulated utility companies in the United States, serving approximately 4 million natural gas and electric customers through its local Columbia Gas and NIPSCO brands. More information about NIPSCO and NiSource is available at NIPSCO.com and NiSource.com.
