Hernando Beach Property Owners Association Newsletter ~ September 2018

PRESIDENT'S MESSAGE **SEPTEMBER 2018**

Hope that everyone has been enjoying their summer! It certainly has been a hot one and a rainy August. Seems like every time I planned something and the sun was shining by the time I stepped out the door the clouds were black, the wind came up and then the rain. At least good for the grass and plants!

I know many have gone back home for visits or taken trips and have seen some relaxing times being had by all from all the Face book and Next Door pictures! I want to say we have some great photographers here in Hernando Beach. Not only do we get to enjoy our beautiful sunrises and sunsets, and plenty of rainbows with all the rain, but we also get to relive them from the beautiful pictures put out on Next Door. Well done everyone!

(Continued on page 3)

Our next meeting will be held **Thursday, September 6th, at 7:00pm** at the **HB Coast Guard Auxiliary**, doors open at 6:45pm.

(Continued from page 1)

We are all back to normal now in September starting with our "BACK TO BUSINESS" September Association meeting and Ice Cream Social! Always great to gather and mingle and having ice cream is an extra bonus!

Even though we were all off on our adventures many of us were around to attend the PIW held by Allen Sherrod for their application to rezone. It was good to see the turnout and that so many got up and asked questions and voiced their opinion. Thank you to Frank Santos for speaking from the Port Authority and giving us some wonderful information on the coast. I know that there are many people that have lived here for years, but there are also many of us who have just moved in or been here only a few years and not really educated on our coastal line, our canals and our environment. It certainly helps to have someone stand up and educate us, much appreciated.

There have, as always with summer activities, been a few accidents with boats, motorcycles, our poor Triangle getting hit once again, but it is so nice to see people helping people. Many coming to the aid of those in trouble, reaching out to neighbors. That is what a true community is all about.

I also want to say that we send all our prayers and positive thoughts to all who have lost loved ones this year and to all those who are battling illness and injuries and to all the families that are affected by this. It has been a tough year for many of us and still is. We have so many of our residents that are suffering and our hearts go out to all of them.

The upcoming months are bringing many events and activities – our association board election, our Talent Event bringing together all of our talented artists and merging all this with the Fire House Christmas Lighting Ceremony and don't forget our Holiday Party. So encourage all members to come to the meetings in the next few months, attend all our events and let's have some much needed fun for our community.

Thank you all for your support. Look forward to seeing all at our monthly meetings.

## **HERNANDO BEACH CRIME WATCH NEEDS VOLUNTEERS**

Hernando Beach Crime Watch Committee is looking for some volunteers to help drive around our area. All you need is to have a few hours a week available to drive around with a buddy. Sometimes just the extra presence seen in a community is a deterrent for crime. All Hernando Beach Residents are invited to their monthly meetings, the second Wednesday of each month at 7:00pm at HB VFW. We hope you will join us even if you do not have time to drive/ride in our crime watch car.

# You Should Be Able to Form a Relationship With Your Orthopaedic Surgeon

There is so much more to being an  
orthopaedic surgeon than holding a scalpel.

## Michael W. Higgins, DO, PA Board Certified in Orthopaedic Surgery

*"Throughout my surgical experience Dr. Higgins continued to be compassionate and patient oriented. While in the pre-op waiting room he visited with me and my husband. He put us at ease assuring my husband that he would come into the waiting room to speak to him as soon as the procedure was complete. He was at my side in the operating room as the anesthesiologist put me to sleep. I stayed in the hospital four days. Dr. Higgins came to check on my progress every day." – Kristin J.S.*

## CARDBOARD BOAT RACE RULES

### Construction

All boats must be built of corrugated cardboard and, if the judges deem it necessary, must pass the dreaded "Ice Pick Test" & Metal detector test!! This verifies that the boat is constructed of only cardboard. **No motors.** Your cardboard boat may be as thick as you want it to be. Thickness of cardboard does not matter at all. Remember, it must be all cardboard— **NOT** cardboard and wood or cardboard and metal or metal screws for holding. **The entire boat must be built of corrugated cardboard. The only exceptions are: oars and in the mechanical division the propulsion system, and steering devices.** These exceptions are of course, not part of the boat proper and can be constructed of materials other than cardboard. If you do not want your boat to sink, the Committee urges you to waterproof the entire boat with one-part substance paint. **(A two-part substance would include those that require the addition of a catalyst or hardener....** This eliminates epoxy glue, fiberglass, and certain varnishes. One-part waterproofing substances are easily obtained at a paint or hardware store.) **EXCEPT FLEX SEAL TYPE PRODUCTS.** You cannot wrap the entire boat with plastic or duct tape or any similar tape or wrap. Duck tape can only

be used at the seams and stress points. However, you are allowed to reinforce all seams and stress points with tape before waterproofing.

**Contestants are not allowed to use any substance, which might be harmful to the environment. Contestants should take care to ensure that the construction of your boat does not include pointed projections and sharp edges that might cause personal injury.**

**How to be a winner**

- Decide on design and sketch it. It can be any size. Let your imagination go wild!
- Do the bottom of the boat first. Two to three layers of cardboard glues together and weighted down. –let set
- Cut sidepieces. Cut against the grain of the corrugated cardboard to insure durability. Use dull side of knife when scoring the cardboard to make a fold –makes it easier to bend pieces in proper shape.

The International Coastal Cleanup began more than 30 years ago, when communities rallied together with the common goal of collecting and documenting the trash littering their coastline. To learn more: <https://oceanconservancy.org/trash-free-seas/international-coastal-cleanup/>

How you can help! We need sponsors to provide the necessary items to our volunteers working hard to cleanup Hernando County coastal areas, Weeki Wachee River, and Weeki Wachee Preserve. Here is a list of the items we currently need:

Cases of Bottled Water  
Cases of Gatorade or Powerade  
Garbage Grabbers  
Disposable Gloves of All Sizes  
Hand Sanitizer  
Snacks/Food  
Any Giveaway Items, Such as Bags or Shirts

We would like to provide our volunteers with the items to make our cleanup as safe and successful as possible. These items can have your business logo on them. However, we cannot take monetary donations or campaign donations for this event. Only logos from businesses or clubs who donate items by August 15, 2018, will be guaranteed a spot on the event flyer, press release, and any other event material distributed or displayed. All items must be dropped off at the UF/IFAS Extension Office.

Let's all work together to keep coastal Hernando County and its surrounding areas beautiful!

Please contact Theresa Weglarz or Brittany Scharf at the UF/IFAS Extension Office for more details: [tweglarz@ufl.edu](mailto:tweglarz@ufl.edu) or 352- 754-4433.

## High Cholesterol?

The creator of Gatorade® can help.

**Gainesville, FL** - If you're one of the million of Americans who have been diagnosed with high cholesterol, natural help is now available from the creator of Gatorade®. The highly regarded late Dr. Robert J. Cade, while at the University of Florida, did extensive clinical trials utilizing a special formula he developed containing soluble fiber (acacia gum).

This formula, **CholesterAde**, proved to lower cholesterol in human blood by over 17% during an 8-week period. Not only is this special soluble fiber proven to lower cholesterol naturally, but other positive effects showed weight loss and improved bowel function, which can help reduce the chances of many forms of cancer.

Dr. Richard Goldfarb, MD, FACS, the Medical Director for Go Epic Health, Inc. states "**CholesterAde** is a natural alternative to statins and other drugs that can create many types of health problems."

For the first time ever, Dr. Cade's original delicious-tasting formula, **CholesterAde**, is available at the retailers below. For more information, call 877-581-1502 or go to [www.CholesterAde.com](http://www.CholesterAde.com).
