We need to start thinking of other options for a sound system for the car show. Bring any ideas you have to a meeting.

There is a local breakfast almost every weekend in March. We'll keep you informed of the location. The breakfast cruises will end after March as the weather will be nicer and many shows and cruises will start.

Paul Eubanks brought up to the club that the Maifest committee is trying to revamp things and would like the car club to display their cars. At this time, they are looking into closing 4th street for the cars. More information to come.

In 2017, we agreed to provide some help with the VFW fish fries if they would provide the Color Guard at our car show. There are 3 left, March 9, 16, & 23. Please let Lynn Mead know if you can help and she will contact the VFW to offer our assistance if it's needed. During the March 9 fish fry, the club has decided to meet at 6:00 to eat and then move over to Hardees for cruise night, weather permitting.

Cars to be on the 2018 t-shirt was discussed. As a reminder, here are the requirements to get your car on the t-shirt:

- 1) Attend 3 club activities a year (meetings, cruise night, breakfast cruise, or trips the club arranges)
- 2) Work at the car show the year prior
- 3) Current on club dues
- 4) Seniority order

Birthday list—if you would like your name added to the birthday list, let Jenny Buesking know.
