Apparently Chevrolet didn't make a black & white Corvette in 1960. With less than 46,000 original miles and a 4-speed V8 (230 HP) under the hood of this soft top convertible, we think we can overlook the fire-engine color of this beauty which is further accented with a lot of chrome and stainless.

Here is how everyone will win. From every \$20 raffle ticket Justice Lodge sells, we will be donating \$15 to KS C.O.P.S., (Kansas Concerns Of Police Survivors). If (when) you win the car, one of our members will check your speed with his radar gun as you drive it away.

What is KS C.O.P.S.? They are a statewide non-profit organization that provides programs and services for the surviving families and affected co-workers of law enforcement officers killed in the line of duty in the state of Kansas.

For raffle tickets contact lodge secretary Daren Kellerman through Facebook or email at Kellerman@KansasMason.org. Secure e-payment is available which means you can purchase tickets using your debit card, credit card or check. Mailing a check works too and donations of any amount are welcome if you really don't want to be involved in the raffle for the car.
