Item(s)		
Qty	Name	Description
4	Aluminum Gate: 4'H	Repair aluminum gates at pool replace 2" gate post at 4 gates going to pool, new post to have header at 7' high, like the gates have that go to the beach (see attached picture). Includes drilling new hole in latch side of post for dead bolt latching devise.
1	Aluminum Gate: 4'H	Repair aluminum gate that goes to beach. Bottom corner is broken and needs to be re welded together, then touch up painted, with spray paint. remove gate and bring to shop to re weld . Add chain link wire across gate opening , while gate is getting repaired, for security. Bring gate back and re install. Schedule repair , so gate is only removed for 2-3 days Max. This gate goes to the beach.
1	Region: Ft Myers Beach
