

**VILLAGE  
CHAPEL**  
of Bald Head Island

Greetings from the Board of Trustees of the Village Chapel.

This spring, at the suggestion of some Chapel worshippers, the Trustees temporarily changed the service time during Lent to 10:00 am.

Following the trial period, input was gathered through emails, phone calls and a survey completed by more than 100 people. In addition, there was a review of the attendance and offerings collected from the last four Lenten seasons including the 10:00 am trial period in 2018.

Today, the Board voted to change the worship time to **10:00, beginning in Advent and through Lent.**

Thanks to all who shared feedback regarding a potential change in worship time during winter months.
