## Good Friday is April 2

Ash Wednesday and Good Friday are obligatory days of universal fast and abstinence. Fasting is obligatory for all who have completed their 18th year and have not yet reached their 60th year. Fasting allows a person to eat one full meal. Two smaller meals may be taken, not to equal one full meal. Abstinence (from meat) is obligatory for all who have reached their 14th year.

If possible, the fast on Good Friday is continued until the Easter Vigil (on Holy Saturday night) as the "paschal fast" to honor the suffering and death of the Lord Jesus, and to prepare ourselves to share more fully and to celebrate more readily his Resurrection.

Fridays in Lent are obligatory days of complete abstinence (from meat) for all who have completed their 14th year.

# Saint Casimir

## Saint Casimir - March 4

Casimir, born of kings and in line to be a king himself, was filled with exceptional values and learning by a great teacher, John Dlugosz. Even his critics could not say that his conscientious objection indicated softness. As a teenager, Casimir lived a highly disciplined, even severe life, sleeping on the ground, spending a great part of the night in prayer and dedicating himself to lifelong celibacy.

When nobles in Hungary became dissatisfied with their king, they prevailed upon Casimir's father, the king of Poland, to send his son to take over the country. Casimir obeyed his father, as many young men over the centuries have obeyed their governments. The army he was supposed to lead was clearly outnumbered by the "enemy"; some of his troops were deserting because they were not paid. At the advice of his officers, Casimir decided to return home.

His father was irked at the failure of his plans, and confined his 15-year-old son for three months. The lad made up his mind never again to become involved in the wars of his day, and no amount of persuasion could change his mind. He returned to prayer and study, maintaining his decision to remain celibate even under pressure to marry the emperor's daughter.

He reigned briefly as king of Poland during his father's absence. He died of lung trouble at 25 while visiting Lithuania, of which he was also Grand Duke. He was buried in Vilnius, Lithuania.

For many years, Poland and Lithuania faded into the gray prison on the other side of the Iron Curtain. Despite repression, the Poles and Lithuanians remained firm in the faith which has become synonymous with their name. Their youthful patron reminds us: Peace is not won by war; sometimes a comfortable peace is not even won by virtue, but Christ's peace can penetrate every government repression of religion.

Saint Casimir is the Patron Saint of:

Lithuania  
Poland  
Russia
